

Working Group on Environmental Monitoring and Assessment

Twenty-fourth session, Geneva and online, 11-12 April 2022

Agenda Item 6: Sharing & integration of economic, social & environmental data with regard to the implementation of the 2030 Agenda for Sustainable Development

Discussion

Question:

How can the work on environmental information, data and indicators, including related to a green and circular economy, better support:

- integrated assessments, reporting on and implementation of SDGs
- and other activities related to the Working Group?

Question:

What are relevant topics for the 25th session of the Working Group?

Thank you!

Proposed conclusions

Proposed Conclusion:

The Working Group:

- a) Takes note of the suggestions related to how the work on environmental information, data and indicators can better support the development of integrated environmental assessments, reporting on and implementation of SDGs and other activities related to the Working Group
- b) Takes note of the suggestions on topics for the 25th session of the Working Group
