

18 March 2022

12:30 – 15:30 Geneva time

Webex meeting

Provisional agenda

1. Opening

The Chair of GRVA will open the workshop and mention its objectives.

2. AI Definitions in the context of Vehicle Regulations

The group will review a note by the secretariat recalling the context of this workshop and proposing terms and definition of relevance for GRVA. It will provide comments and propose other terms and amendments to the proposed definitions.

Following the discussion on the list of terms and potential progress on definitions, the group will reflect on the scope/kind of Artificial Intelligence (AI) having relevance for GRVA and more generally for WP.29.

3. The role of WP.29/GRVA and vehicle regulations with regards to Artificial Intelligence

The group will exchange views, if time is available, on the potential role of GRVA and WP.29 as well as vehicle regulations with regards to AI.

4. Wrap up and closing

The Chair will wrap up and close the workshop.
