# ULISES NERI

## EXECUTIVE DIRECTOR

## ICE-SRM, INTERNATIONAL CENTRE ON SUSTAINABLE RESOURCE MANAGEMENT - LATIN AMERICA

## SPEAKER BIOGRAPHY

Ulises Neri studied petroleum engineering at the National Autonomous University of Mexico (UNAM), where he is also a professor), has a master's degree from the French Petroleum Institute, and doctoral studies at the Paris business school. His professional experience began at Schlumberger, carrying out projects in Latin America.

Later, he joined the National Hydrocarbons Commission where he served as director of reserves, director of measurement, and head of the extraction unit. He also held a diplomatic position, representing Mexico in international organizations, such as the OECD, the IEA, United Nations and OPEC.

From 2019 to 2021, he was Director General of Promotion of Productive Chains in the energy sector in the National Content Unit of the Ministry of Economy. He currently holds the position of Vice Chair of the Expert Group on Sustainable Resources Management (EGRM) and Executive Director of the International Center of Excellence on Sustainable Resources Management for México and Latin America of United Nations ICE-SRM.
