## **Decision IV/1**

### **Reporting requirements**

*The Meeting of the Parties,*

*Recalling* article 17, paragraph 2, of the Protocol on Pollutant Release and Transfer Registers, which states, inter alia, that the Meeting of the Parties to the Protocol shall keep under continuous review the implementation and development of the Protocol on the basis of regular reporting by the Parties and, with this purpose in mind, will establish guidelines facilitating reporting by the Parties, taking into account the experience gained under the Convention,

*Recalling also* decision I/5 of the first session of the Meeting of the Parties to the Protocol, through which the Parties established a reporting mechanism to monitor the progress in implementation of the provisions of the Protocol,

*Recognizing* that regular reporting by Parties provides important contextual information which facilitates the assessment of compliance under the Protocol and thereby contributes to the work of the Compliance Committee,

*Believing* that public involvement in the process of reporting is likely to improve the quality and accuracy of reports and to strengthen the credibility of the reporting process,

*Taking into account* the objective of a simple, concise and not excessively burdensome reporting mechanism,

*Noting* that this decision concerns reporting by Parties on how they have implemented the requirements of the Protocol and is distinct from the reporting required under article 7 of the Protocol,

*Considering* that the reporting procedure as set out in decision I/5 should continue to apply for the next reporting cycle,

*Emphasizing* the importance of timely submission of reports,

1. *Notes with appreciation* the implementation reports submitted by more than 90 per cent of the Parties to the Protocol on Pollutant Release and Transfer Registers to the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters pursuant to decision I/5;

2. *Welcomes* the synthesis report prepared by the Bureau and the Compliance Committee;<sup>1</sup>

3. *Considers* that these reports provide a valuable overview of the status of implementation of the Protocol, as well as significant trends and challenges, which will help to guide future activities;

### **Timely submission of reports**

4. *Notes* that some Parties that submitted reports did not do so within the deadline indicated in paragraph 10 of decision III/1;

5. *Reiterates its encouragement* of Parties to start the preparation of national implementation reports in future reporting cycles sufficiently in advance of, and at the latest seven months before, the deadline for submission of the reports to the secretariat set out in paragraph 10 below, with a view to ensuring meaningful public consultation on the reports at the national level;

---

<sup>1</sup> ECE/MP.PRTR/2021/10.

## Failure to submit reports

6. *Notes with regret* that Lithuania and Montenegro, all of which were Parties to the Protocol at the time of the deadline for submission of the implementation reports, failed to submit reports;

7. *Calls upon* those Parties that have not yet submitted their national implementation reports to submit them to the secretariat as soon as possible but at the latest by 15 November 2021, for subsequent consideration, inter alia, by the Compliance Committee;

## Public Consultation

8. *Welcomes* the fact that most Parties prepared their reports through a process involving consultations with various governmental agencies as well as civil society;

9. *Requests* each Party to prepare its reports on implementation of the Protocol through a transparent and consultative process involving the public in a timely manner, taking account of specific circumstances pertaining to regional economic integration organizations;

## Guidance on reporting requirements

10. *Also requests* each Party to submit to the secretariat, in advance of each ordinary session of the Meeting of the Parties so as to arrive no later than nine months before the session of the Meeting of the Parties for which it is submitted, a report on:

(a) The necessary legislative, regulatory or other measures that it has taken to implement the provisions of the Protocol;

(b) The practical implementation of these measures at the national or, in the case of regional integration organizations, the regional level, using the format set out in the annex to decision I/5;

11. *Further requests* each Party in advance of each subsequent ordinary session of the Meeting of the Parties to review its report and to prepare and submit to the secretariat new information and, where available, a consolidated national implementation report;

12. *Encourages* Parties to take the Guidance for reporting on implementation of the Protocol on Pollutant Release and Transfer Registers<sup>2</sup> into consideration when preparing national implementation reports;

13. *Requests* Parties, Signatories and other States to submit implementation reports through the electronic reporting application developed by the secretariat, and in accordance with the instructions provided by the secretariat;

14. *Requests* the secretariat to circulate to all Parties and relevant stakeholders a formal reminder of the reporting requirements, including guidance on the preparation of the reports as well as the proposed timing and confirmation of the date for the submission of the reports to the secretariat in accordance with paragraph 10 above, at least one year in advance of the next session of the Meeting of the Parties;

15. *Invites* Signatories and other States not Party to the Protocol, pending their ratification or accession, to submit reports on measures taken to apply the Protocol in accordance with the aforementioned procedures;

16. *Invites* international, regional and non-governmental organizations engaged in programmes or activities providing support to Parties and/or other States in the implementation of the Protocol to provide the secretariat with reports on their programmes or activities and lessons learned, as well as on implementation of the Protocol itself;

<sup>2</sup> ECE/MP.PRTR/2017/6/Add.3.

17. *Requests* the secretariat to prepare a synthesis report for each ordinary session of the Meeting of the Parties summarizing the national implementation reports submitted by the Parties and identifying significant trends, challenges and solutions, and to circulate it to the Parties and other stakeholders in due time for its consideration by the Meeting of the Parties to the Protocol;

### **Translation of the reports**

18. *Also requests* the secretariat to make the reports available in the languages in which they are submitted, and to make the synthesis report available in the three United Nations Economic Commission for Europe (ECE) official languages;

19. *Encourages* Parties that are in a position to do so to provide voluntary translations of the reports in the other two ECE languages. Those Parties that do so are invited to provide the translations preferably no later than one month after the original submission deadline;

20. *Requests* the secretariat to make any unofficial translations of the reports available online.

## **Decision IV/2**

### **Development of the Protocol on Pollutant Release and Transfer Registers**

*The Meeting of the Parties,*

*Recalling* decisions and major outcomes related to the development of the Protocol adopted by the Working Group at its seventh (ECE/MP.PRTR/WG.1/2019/2) and eighth meetings (ECE/MP.PRTR/WG.1/2020/2),

*Aware* that some Parties are interested in information on possible approaches for Parties to develop pollutant release and transfer registers, going beyond the current requirements of the Protocol,

*Recalling* that, pursuant to article 6 (2) of the Protocol, having assessed the experience gained from the development of national pollutant release and transfer registers and the implementation of the Protocol, and taking into account relevant international processes, the Meeting of the Parties shall review the reporting requirements under the Protocol and shall consider specified issues in its further development,

*Recalling also* that, pursuant to article 20 of the Protocol, Parties may propose amendments to the Protocol and that such proposals are to be considered by the Meeting of the Parties,

1. *Welcomes* the Report on the development of the Protocol on Pollutant Release and Transfer Registers (ECE/MP.PRTR/WG.1/2019/6) prepared by the Bureau;

2. *Adopts* the Report on the outcomes of the survey on the experiences in implementing the Protocol on Pollutant Release and Transfer Registers (ECE/MP.PRTR/WG.1/2020/4) as a reference document for Parties, with a view to informing Parties' consideration of possible options for ensuring that the Protocol's objectives are better met;

3. *Invites* Parties to submit appropriate amendments to the Protocol pursuant to its article 20, in time for consideration by the Meeting of the Parties at its next regular or extraordinary session;

4. *Tasks* the Working Group of the Parties, assisted by the Bureau, with facilitating an exchange of information between Parties, taking into account inputs from interested stakeholders, on possible amendments, and with preparing draft decisions containing amendments to the Protocol proposed by Parties for consideration by the Meeting of the Parties at its next regular or extraordinary session.

## **Decision IV/3**

### **Work programme for 2022–2025 for the Protocol on Pollutant Release and Transfer Registers**

*The Meeting of the Parties,*

*Recalling* article 17, paragraph 2, of the Protocol on Pollutant Release and Transfer Registers, which requires the Meeting of the Parties to keep under continuous review the implementation and development of the Protocol, and with this purpose in mind, inter alia, to establish a programme of work,

*Recalling also* its decisions I/6, on procedures for the preparation, adoption and monitoring of work programmes and on the work programme for 2011–2014, and II/3 and III/2, on the work programmes for, respectively, 2015–2017 and 2018–2021,

*Taking into account* the strategic plan for 2015–2020 for the Protocol on Pollutant Release and Transfer Registers, adopted through decision II/2, and the scheme of financial arrangements adopted through decision IV/4,

*Recognizing* that the Protocol plays an important role in supporting Parties in implementing a number of Sustainable Development Goals, mainly Goals 3, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16,

## Decision IV/4

### Financial arrangements under the Protocol on Pollutant Release and Transfer Registers

#### *The Meeting of the Parties*

*Recalling* article 17, paragraph 2 (h), of the Protocol on Pollutant Release and Transfer Registers to the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (Aarhus Convention), which states that the Meeting of the Parties shall consider establishing financial arrangements by consensus to facilitate the implementation of the Protocol,

*Also recalling* decisions I/3, II/4 and III/3 of the Meeting of the Parties to the Protocol, establishing an interim voluntary scheme of contributions to be sustained by contributions from Parties, Signatories and other States having opted to participate in the scheme,

*Recognizing* the need to:

- (a) Ensure that sufficient resources are available to implement the Protocol's work programme for 2022–2025, adopted through decision IV/3;
- (b) Establish a scheme of financial contributions that is transparent and accessible to all Parties, Signatories and other States and organizations wishing to contribute;
- (c) Establish financial arrangements under the Protocol that will ensure stable and predictable sources of funding, based on the principles of an equitable sharing of the burden, accountability and sound financial management,

*Believing also* that some organizations and non-State entities, such as charitable foundations, may be interested in contributing financially to the activities under the Protocol's work programme and should be encouraged to do so,

*Noting with regret* that most of contributions are still arriving late and that the financial burden has not been evenly distributed, with several Parties and Signatories not contributing at all,

*Believing* that the financial arrangements in place under the Protocol will need to be kept under periodic review by the Meeting of the Parties to ensure that they continue to meet the goals of stability, predictability and an equitable sharing of the burden,

1. *Decides* to continue maintaining the interim voluntary scheme of contributions as reflected in decision III/3 of the Meeting of the Parties to the Protocol<sup>3</sup> aimed at covering the costs of activities under the work programme that are not covered by the United Nations regular budget, based on the following principles:

- (a) The Parties shall collectively ensure that the costs of the activities of the work programme that are not covered by the United Nations regular budget are covered through the financial scheme;
- (b) No Party or signatory is expected to contribute less than \$1000 to the Protocol's work programme for a given calendar year;
- (c) Contributions shall be made in cash and shall not be earmarked for a particular activity;
- (d) Additional contributions may be made in cash or in kind, and may be earmarked for a particular activity;
- (e) Contributions in cash shall be made through the United Nations Economic Commission for Europe trust fund for local technical cooperation (Aarhus Convention/Protocol on Pollutant Release and Transfer Registers project);

<sup>3</sup> ECE/MP.PRTR/2017/6/Add.1.

(f) Insofar as possible, and subject to the internal budgetary procedures of the Parties, contributions for a given calendar year should preferably be made by 1 October of the preceding year, so as to secure payment of staff costs for the smooth functioning of the secretariat, as a priority, and the timely and effective implementation of the priority activities of the respective programme of work;

(g) To keep administrative costs related to funds management at the minimum and, insofar as possible and subject to internal budgetary procedures of the Parties, contributions should preferably be paid net with possible charges at expense of donors, concentrated as much as possible within the intersessional period, by, for example, making multiannual or annual contributions continuously (for every calendar year) and by merging contributions for the Aarhus Convention and Protocol in one transfer, if appropriate;

(h) Parties pledge, where possible, prior to the adoption of a work programme by the Meeting of the Parties, their expected annual or multiannual financial and in-kind contributions. Signatories, other interested States and organizations may wish to indicate their expected contributions as well;

2. *Requests* Parties, to contribute each year or to make multiannual contributions towards the costs of activities under the work programme, in accordance with the scheme referred to in paragraph 1;

3. *Invites* Signatories, other interested States and public entities, as well as the private sector, in accordance with the 2015 Guidelines on a Principle-based Approach to the Cooperation between the United Nations and the Business Sector,<sup>4</sup> to contribute, in cash or in kind, towards covering the costs of the work programme;

4. *Calls upon* countries with economies in transition to finance to the extent possible their own participation in the activities;

5. *Calls upon* international organizations working in countries with economies in transition to support participation of representatives of these countries and nongovernmental organizations in the meetings and other activities under the Protocol;

6. *Encourages* Parties that have historically contributed generously to maintain their previous levels of contribution;

7. *Also encourages* Parties that have so far not contributed, or have contributed modestly, to increase their contributions during the current and future budget cycles so as to ensure the equitable distribution of the financial responsibility for implementation of the work programme, and requests the Bureau to liaise with such Parties where appropriate concerning the achievement of this goal;

8. *Requests* the secretariat, in accordance with the financial rules of the United Nations, to allocate in the Convention trust fund by 1 October of each year the sum required for the extension of the contracts of extrabudgetary staff of the secretariat for the upcoming year, as a priority, and also the costs needed for implementation of activities in the first quarter of the upcoming year;

9. *Also requests* the secretariat, in accordance with the financial rules of the United Nations, to monitor the expenditure of the funds and to prepare annual reports for review by the Working Group of the Parties in order to ensure that the level of contributions matches the level of funding needed for the implementation of the work programme;

10. *Requests* the Working Group of the Parties to consider, in the light of these annual reports, whether changes would be required to the content or time frame of the work programme, in the event that the level of actual and/or pledged contributions does not match the level of funding needed;

11. *Further requests* the secretariat to prepare a comprehensive financial report for each session of the Meeting of the Parties, including information on how much Parties and

other participating States and organizations have contributed to the budget of the Protocol in cash and in kind, and on how the contributions were spent;

12. *Mandates* the Bureau and the Working Group of the Parties to explore in the next intersessional period options for more predictable, stable and equitably shared funding, and requests them to make the appropriate proposals for the consideration of the Meeting of the Parties at its fifth session;

13. *Requests* the United Nations Economic Commission for Europe to allocate more resources to support the work under the Convention and its Protocol, in view of the positive evaluation of the Environmental subprogramme during the review of the 2005 reform of the Commission,<sup>5</sup> considering, inter alia, the balance in the use of regular budgetary resources in the different subprogrammes;

14. *Agrees* to review the operation of the scheme of financial arrangements at the fifth session of the Meeting of the Parties.
