Inland Transport Committee

Working Party on the Transport of Dangerous Goods

Joint Meeting of Experts on the Regulations annexed to the European Agreement concerning the International Carriage of Dangerous Goods by Inland Waterways (ADN)
(ADN Safety Committee)

Fortieth session
Geneva, 22–26 August 2022

Item 4 (b) of the provisional agenda

Proposals for amendments to the Regulations annexed to ADN:
Other proposals

5.4.1.1.3 of ADN: Information in the transport document – Special provisions for wastes

Transmitted by the Government of Germany*, **

Introduction

1. In 5.4.1.1.3 of ADN, in the second sentence, reference is made to the “dangerous goods description” required in 5.4.1.1.1 (a) to (d) and (k).
2. 5.4.1.1.1 of ADN does not contain a subparagraph (k).

I. Proposal

3. In 5.4.1.1.3, in the second sentence, delete “and (k)”.

II. Justification

* Distributed in German by the Central Commission for the Navigation of the Rhine under the symbol CCNR-ZKR/ADN/WP.15/AC.2/2022/28.
** A/76/6 (Sect. 20), para. 20.76.
5. This is a correction of an editorial error in the ADN that has no impact on transport safety. An ambiguous provision concerning the completion of transport documents is corrected for both consignors and control authorities.
