Thoughts of the IWVTA ambassador to GRPE **86**

Bill Coleman – **June** 2022

GRPE Feedback to DETA/UI presentation (1)

- Representatives of IWG PTI participated in GRPE 85 and would be interested in having the presentation made to their IWG (not covered by a GR as 1997 Agreement)
 - Who could / should make this presentation?
- Is the concept of UI available to all 1958 Regulations **yes** or only to those included in Regulation 0?
 - We believe the answer is all 58 Regs but would like confirmation
- Is DETA available to all 1958 Regulations **yes** or only to those included in Regulation 0?
 - Again, we believe the answer is all 58 Regs but would like confirmation
