This event and associated works of the UNECE RE-Uptake Project was commissioned by the Federal Ministry for Economic Affairs and Energy. Through various projects, dena supports the German government in implementing energy and climate policy goals.

### In cooperation with

**UNECE:** The United Nations Economic Commission for Europe is one of the five regional commissions under the jurisdiction of the United Nations Economic and Social Council. All activities relating to the Hard Talks are implemented in close cooperation with the UNECE Secretariat.

**REN21:** REN21 is the global community of renewable energy stakeholders from Science, academia, governments, NGOs and industry. They provide up-to-date facts, figures and peer-reviewed analysis on global developments in technology, policy and markets, to inform decision makers.

**MoME:** The Ministry of Mining and Energy is in charge of the operations of the State Administration related to mining, energy and natural resource development. MoME is responsible for energy strategy and development policies, research on sustainable use of resources and other operations.
