2. Logistics
Travel to/from Vienna
We are kindly asking our participants to make their own travel arrangements to/from Vienna.
In case you travel by car we kindly ask you to plan your route on your own, e.g. via Google maps.
If you travel by plane you will arrive at Vienna International Airport. From Vienna airport there are
several options to proceed to the venue/hotels:

By Taxi
Arriving at the airport you will find an array of taxis at your disposal. You can hire them directly after
check-out at the exit. Prices belong to the travel distance but approximately 60 € to BOKU.
Various companies offer pre-bookings (via telephone/e-mail or online – just click “ctrl + the link” in
the table below) at fix rates (for one-way / cab -> i.e. you may fill the cab and share costs). FFP2
masks might still be obligatory:

More information is available at
By City Airport Train
Additionally, you can go by CAT (City Airport Train) and continue by metro or taxi. The CAT takes you in 16 minutes nonstop to the city centre (one-way € 11, return € 19). You can directly book in advance via https://www.cityairporttrain.com/en/home or get a ticket at the airport (2 € more).

If you choose to go by CAT you will need to take different public modes of transportation, as described below. The easiest way to reach BOKU University from the final station (i.e. Landstrasse – Wien Mitte) is as follows:

- Take the metro U 4 (direction Heiligenstadt) and go to Heiligenstadt
- Continue by bus 10 A (direction Niederhofstrasse) until bus stop Dänenstrasse.

Busses depart directly in front of the main entrance / exit. Tickets are available on terminals within the station (€ 2,60). These tickets can be used for any single trip within Vienna – you may change lines, but you may not interrupt your journey (and please don’t forget to stamp them!).

Please check for individual opening hours:
CAT 05:36 to 23:06 (daily)
Metro 05:00 to 24:00 (Mo – Fr); 24 hours (Sa + Su)

Other Bus Lines / trains
Several busses depart from the airport as well and connect Vienna Airport with the main Vienna transport hubs. Lines and timetables are available online.

The same is true for additional train connections like the suburban railway and long-distance trains. Most of them operate via the new Vienna Central Station. Please have a look here or check more detailed timetables at ÖBB.

3. Transportation in Vienna
Vienna is well covered with public means of transportation (i.e. metro, tram, bus). Several ticket options exist (e.g. 1, 2 or 4 trip(s); 24, 48 and 72 hours). You can purchase them in the ticket offices at various metro stations (Mo – Fr, 6:30-18:30), online or at the terminals within the stations. For trams and busses you may buy them directly from the driver (the price is € 2,60). Tickets must be stamped in the blue ticket stampers before boarding. You will find them

- On board of trams and busses
- at the barriers before entering the underground railway

Important notices about Wienerlinien:
- Please note that ticket controls are frequent and unpredictable. You should always have a ticket. In case you are caught without a ticket you are liable to pay a fine of € 130,-.
- You can use this service site to plan public Transportation routes in Vienna
- Timetables are available online
- FFP2 masks are obligatory

**4. Accommodation**

We are kindly asking our participants to make their own accommodation arrangements.

We have a new website at the [University homepage listing hotels](http://www.taxi40100.at/) and also the way how you can reach the university main building (Gregor-Mendel-Straße 33). The venue is 3 minutes away in Exnerhaus, Peter-Jordan-Straße 70, 1190 Vienna. The website is available in English and in German. Due to data security reasons the prices are not visible and can only be seen if you go to the hotel website, the links are provided. You can ask for a special offer for BOKU guests, which they might have, at least outside high season. As September is high tourist season, early booking is recommended.

From the list above please find below a selection of hotels we would like to recommend. All of them are relatively close to the venue or easily reachable by public transportation.

**Hotel Park Villa** (Art Deco style, beautiful garden, nearest hotel to the venue, about 10 min walk, please see [the map](http://www.taxi40100.at/))

**Hotel Kaiser Franz Joseph**
The venue of the event can be easily accessed from the hotel by tram No 38 and Bus No 10A, please see [the map](http://www.taxi40100.at/)
