70th CES plenary session
Geneva, 20-22 June 2022 (hybrid meeting)

5 Work of the High-level Group for the Modernisation of Official Statistics

Proposed decision

The Conference:

- Approves the annual report of the High-Level Group for the Modernisation of Official Statistics (HLG-MOS), including the outcomes of the activities carried out in 2021 and plans for the rest of 2022 (ECE/CES/2022/12 and Add.1-3)
- Supports the continuation of the work on modernization of official statistics
- Invites national and international statistical organizations to support the HLG-MOS work programme and to become partners in the Statistical Modernization Community
