Geneva, 12-16 September 2022

Item 3 of the provisional agenda

##### Standards

## References to standards already adopted by the Joint Meeting but not included in the 2023 amendments

Note by the secretariat\*, \*\*

### Introduction

1. The revised versions of EN 14025 and EN 13799 weren't available in time on 1 June 2022 to be included in the proposed amendments to be notified to the RID Member States/ADR Contracting Parties on 1 July 2022 for entry into force on 1 January 2023.
2. The secretariat prepared the following proposals of amendments to reference these standards in RID and ADR 2025. The Working Group on Standards of the Joint Meeting is invited to confirm that these references are still valid and that the dates of application are correctly transposed for an entry into force on 1 January 2025.
3. In 6.8.2.6.1, for standard EN 14025:[2022], the applicable paragraphs have been corrected to include 6.8.3.1.

### Proposals of amendments

6.2.4.1 Amend the table "for closures" as follows:

– At the end, insert the following new row:
