MIPAA: Advantages in delivering effective solutions

The Review and Appraisal: A Process in Action

The engagement of two thirds of Member States in the last review and appraisal cycle attest to the importance of MIPAA as the international policy framework on ageing.

MIPAA: Limitations in delivering effective solutions

Rising inequalities: a defining challenge of our time

Life expectancy at birth in country classifications
by income group, 2020-2025 (years)

MIPAA: Limitations in delivering effective solutions

Sealing all the Gaps

Lack of:

- human and financial resources
- political will
- data for evidence-based policymaking

Article 2

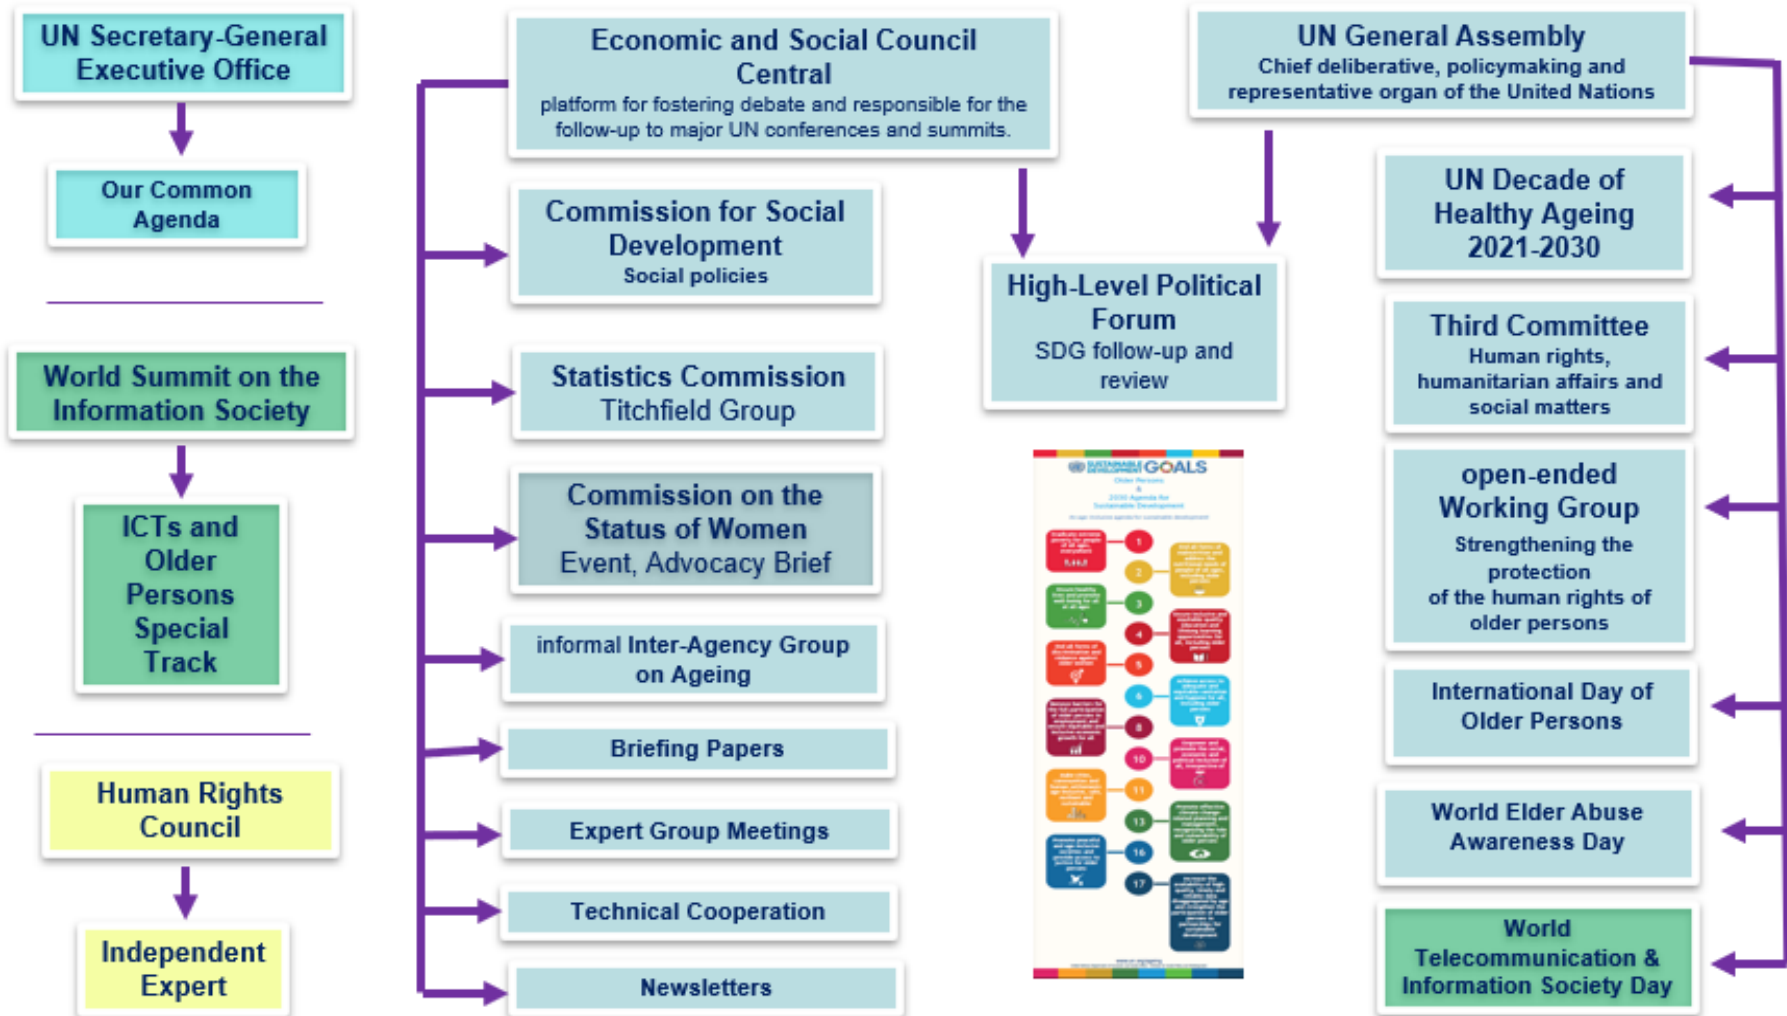

Everyone is entitled to all the rights and freedoms set forth in this Declaration, without distinction of any kind, such as **race**, **colour**, **sex**, **language**, **religion**, **political or other opinion**, **national or social origin**, **property**, **birth or other status**.

Furthermore, no distinction shall be made on the basis of the political, jurisdictional or international status of the country or territory to which a person belongs, whether it be independent, trust, non-self-governing or under any other limitation of sovereignty.
