1	1	ECE/TRANS/WP.6/18 2	The Working Party adopted its provisional agenda, as amended.
2	2		The Working Party elected Mr John Wilkins of the United Kingdom of Great Britain and Northern Ireland as Chair for the sessions in 2023 and 2024. Ms Marly Odekerken-Smeets of the Netherlands and Ms Nele Van Der Wielen of Ireland were elected as vice-Chairs for 2023 and 2024.
3	3	ECE/TRANS/WP.6/20 22/3	After presentations from Invenium/OEBB, Wuppertal University, Flowminder Foundation and the ITU, the Working Party encouraged member States to involve themselves in the UN task team on mobile phone data, and in particular to provide any relevant examples of using mobile phone data for transport statistics production.
4	4	ECE/TRANS/WP.6/20 22/9	The Working Party welcomed this agenda item decided to continue exploring ways to improve harmonisation and best-practice sharing on travel surveys at the international level.
5	5	ECE/TRANS/WP.6/20 22/1	The Working Party took note of activities of different international organisations and the secretariat on the transport-related SDGs. There was agreement with the secretariat's approach to considering UNECE-specific transport SDG indicators. Countries are encouraged to send examples of any SDG-relevant indicators and share any work in using data to monitor electric vehicles. The Working Party took note of the information and recommendations presented in the nexus report on Measuring and Monitoring Progress Towards the Sustainable Development Goals, and encouraged its members to review and possibly apply the recommendations of the report nationally.
7	6	ECE/TRANS/WP.6/20 22/2; ECE/TRANS/WP.6/20 22/10	The Working Party took note of technical details and data quality aspects on the common questionnaire. Proposals were given on streamlining of the common questionnaire, and member States were encouraged to provide concrete streamlining proposals by mid-July 2022.
8	7	ECE/TRANS/WP.6/20 22/12 ; ECE/TRANS/WP.6/20 22/11	The Working Party noted the status of the 2020 E-Road and E-Rail censuses, and countries were encouraged to provide available data, in particular in a geospatial format when possible. The Working Party encouraged members to share their views on updates to the census for the 2025 round, particularly on how to modernise the exercise. The Working Party asked the secretariat to continue work on visualising traffic in a geospatial format.
9	8		The Working Party welcomed the secretariat's approach to disseminating transport data through the use of data stories.
10	9	ECE/TRANS/WP.6/20 22/4	The Working Party adopted its proposed Programme of Work for 2022-2024.
