Draft questionnaire concerning the implementation of Annex 8

Note by the secretariat

**INTRODUCTION**

1. At its 121st session, the Working Party (WP.30) requested the secretariat to conduct a survey of Contracting Parties to the Harmonization Convention on the implementation of Annex 8 on road transport. The results of the survey should be reported both to WP.30 and to the Administrative Committee of the Convention (AC.3) (ECE/TRANS/WP.30/242, para. 17). Following the above request, the secretariat has prepared a draft questionnaire, as contained in the annex to this document. The sequence of the questions follows the structure of Annex 8.
2. The Working Party may wish to comment on the questions. In addition, WP.30 is invited to provide guidance to the secretariat as to which governmental authorities the questionnaire should be sent to and which deadline should be set up for the replies.
