### *Sustainable Urban and Peri-urban Forestry: An Integrative and Inclusive Nature-Based Solution for Green Recovery and Sustainable, Healthy and Resilient Cities*

United Nations Economic Commission for Europe  
UNECE/FAO Forestry and Timber Section

2 August 2022

#### Background

This file provides the references cited in document ECE/TIM/2022/8, prepared for the 80<sup>th</sup> session of the UNECE Committee on Forests and the Forest Industry.
