

Implementation of the work programme

Sonja Koeppel
UNECE Water Convention

1. Additional achievements in this area of work since October 2021

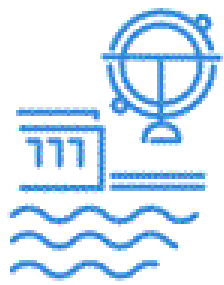

- In the programme area 5: funding and financing transboundary water cooperation: Promotion and translation of the publication on this topic eg at the World Water Forum
- In the programme area 3.3: Handbook on water allocation in transboundary context was finalized, printed and translation ongoing
- Joint expert group on water and industrial accidents (area 7b): new nominations, first phone conferences in February and May; next meeting planned in September in Budapest
- For more information please look at the report on implementation of activities in 2021: [ECE/MP.WAT/WG.1/2022/3](#)-[ECE/MP.WAT/WG.2/2022/3](#)

2. Clarifications for the work programme

- Add Niger basin under programme area 1.3
- Area 1.3: Secretariat can also provide support to initializing cooperation, upon request
- Request to share information on NPDs also in African countries, upon request
- Request by Uganda on climate change project/ joining the network

Thank you
