This event and associated works of the UNECE RE-Uptake Project was commissioned by the Federal Ministry for Economic Affairs and Climate Action. Through various projects, dena supports the German government in implementing energy and climate policy goals.

In cooperation with

UNECE: The United Nations Economic Commission for Europe is one of the five regional commissions under the jurisdiction of the United Nations Economic and Social Council. All activities relating to the Hard Talks are implemented in close cooperation with the UNECE Secretariat.

REN21: REN21 is the global community of renewable energy stakeholders from Science, academia, governments, NGOs and industry. They provide up-to-date facts, figures and peer-reviewed analysis on global developments in technology, policy and markets, to inform decision makers.

MIRD: The Ministry of Infrastructure and Regional Development is the central specialized body, which promotes state policy in the field of infrastructure and regional development and operates in accordance with the Constitution and Laws of the Republic of Moldova, Parliamentary Decisions, Acts of the President, Government Decisions and Orders, as well as other normative acts.
