**Economic Commission for Europe**

Inland Transport Committee

**Global Forum for Road Traffic Safety**

**Group of Experts on Road Signs and Signals**

**Eighth Informal session**

Geneva, 11 October 2022

Item 3 of the provisional agenda

**Cycle crossings located at pedestrian crossings” – danger  
warning signs**

**Submitted by S. Egger (FSV)**

At the last informal session, the Group of Experts invited Mr. S. Egger (FSV) to create and submit images of danger warning signs for this agenda item.

Proposals according to ECE-TRANS-WP1-GE2- <i>Informal-1e</i> (7th Informal session)	Variants b (added)	
 <p>5</p>		
 <p>6</p>	 <p>6b</p>	
 <p>7</p>	 <p>7b</p>	

After decisions taken in the last (7<sup>th</sup>) session, the chosen image contents (graphical symbols) were integrated into related warning signs, shown as examples [6b] and [7b].
