Dear Fiona and Colleagues,

We would like to inform you that as requested by the Compliance Committee, and as anticipated in our email of 1 July 2022, addressed to the Committee, the European Commission has prepared an action plan on the EU's compliance with the Aarhus Convention.

A separate action plan has also been prepared for case ACCC/C/2015/128 on state aid.

Both plans are attached, and will also be published shortly under the News section of the relevant webpage of DG Environment: <https://ec.europa.eu/environment/aarhus/>

Best regards,
