- For new pictures with notes, all text for translation should be editable. No text as an embedded image!
- Copyright/intellectual property issues: the submitter of any document (including a presentation) may be invited to confirm that publication of this document on the UNECE website and further use does not violate any copyright/intellectual property rights and that the submitter agrees to hold UNECE harmless of any copyright/intellectual property claims concerning this document. If a document contains materials of third parties, permission of these parties may be required.

# Highlights of the recent session(s) of WP.29

## June 2022

- Guidance on the election procedures
- Discussion on the use of UI in the context of DETA
- WP.29 gave its consent for the establishment of IWG on EMC and for the extension of the mandate of IWG SLR until December 2025
- The Chair of GRE called for coordination of activities on unattended children left in cars between GRSP, GRE and GRBP
- Following interventions of Canada and USA, WP.29 agreed to request GRSP to gather information and statistics on global extent as a first step, then identify the working group to develop a technical solution
- See report in [ECE/TRANS/WP.29/1166](https://www.unece.org/transport/working-papers/2022/01)
