

HENRY CUSCHIERI

HEAD, MEMBERSHIP AND EXTERNAL RELATIONS INTERNATIONAL ORGANIZATION FOR STANDARDIZATION

SPEAKER BIOGRAPHY

Henry Cuschieri has worked in standards development, both national and international for more than 25 years. Currently he is the Head of Membership and External Relations at the International Organization for Standardization (ISO) in Geneva, Switzerland.

He is responsible for maintaining close, efficient and productive relationships between ISO and the National Standards Bodies of 166 countries that make up ISO's global member community, and between ISO and international and regional partner organizations.

Henry joined ISO in 2011. Prior to taking on his current role in 2018 he served as Head of Standards Development for a range of sectors including security, information and communications technology (ICT), and transport.

Originally from the UK, prior to moving to Switzerland Henry spent more than 15 years in US national trade associations in Washington, D.C. supporting the development of national and international standards in the ICT and telecommunications sectors.
