

## **Item 9**

### **Issues for attention**

### **Informal document No. 3**

## Letter from ITC Chair Division's Director

- Inputs requested to:
  - ECE Road Safety Action Plan for the Decade of Action for Road Safety 2021-2030
  - ECE document on the activities in the field of information and computerization technologies and ITS
  - ITC paper on climate change mitigation activities and action-oriented options for ITC and its subsidiary bodies

# ECE Road Safety Action Plan for the Decade of Action for Road Safety 2021-2030

## 2011-2020 ECE Road Safety Action Plan

- (1) Boost Political Will and Support Government Strategies
- (2) Protect Road User
- (3) Make Vehicle Safer
- (4) Improve Safety of Transport of Dangerous Goods
- (5) Make Technologies Work for Safer Mobility
- (6) Make Roads Safer
- (7) Improve Cargo Safety
- (8) Turn Road Safety Training, Education and Behaviour into Knowledge Management
- (9) Learn from Road Crashes
- (10) Mitigate the Impact of Road Crashes
- (11) Raise Awareness, Fundraise, and Advocate for Road Safety)

- WP.24 technology-focused work
- CTU Code

## New Global plan

- (1) Multimodal transport and land use planning,
- (2) Safe road infrastructure,
- (3) Vehicle safety,
- (4) Safe road use,
- (5) Post-crash response

- promote modal shift for freight transport from road to rail or inland waterways, and
- set and implement targets for the market share of intermodal transport in freight sector

# ECE activities in the field of information and computerization technologies and ITS

Input to 70<sup>th</sup> ECE session titled: “Digital and green transformations for sustainable development in the UNECE region”

WP.24 work on ITS/technology ie. digitalization and automation => inputs from the workshops and agreed follow up to the workshops

# Climate change mitigation activities and action-oriented options for ITC and its subsidiary bodies

- Intermodal transport as a green solution
  - Targets for intermodal freight transport share
- Development of freight transport through increasing efficiencies and protecting environment
  - Ref to the Handbook:
    - actions for optimization of infrastructure
    - actions aimed at environment protection
