Note by the secretariat

Summary

United Nations publications are published in response to legislative mandates or requests by intergovernmental bodies (ST/SGB/2012/2, para. 2.4 (a)).

The present document makes reference to the already approved publication plans for 2022 and 2023 (paragraph 78(a) of the report of the Committee on Sustainable Energy of its thirtieth session, ECE/ENERGY/137), to which the Sustainable energy subprogramme wishes to introduce changes.

The titles of the publications provided in this document for 2023 and 2024 are preliminary titles. It was agreed at the thirtieth session that all publications issued by the Sustainable Energy Division will be in electronic format only.

The Committee on Sustainable Energy approved this document at its thirty-first session.
