

# European Strategy on Standardisation – 2022

*Silvia VACCARO  
European Commission  
DG GROW  
Unit H.3 Standards Policy*

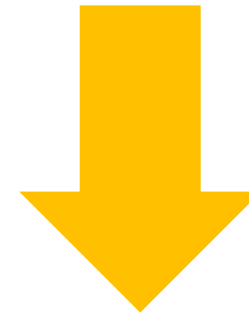

*These slides accompany the explanation of the acquis to Albania and North Macedonia and can only be used for that purpose. Their content is subject to further development of the acquis and interpretation by the Court of Justice of the European Union.*

# Does the future look bright for EU standardisation?

- Rapidly changing environment (war, climate change, pandemic, EU dependencies)
- Emerging new powerful actors – EU losing influence at international level
- Green and digital developments

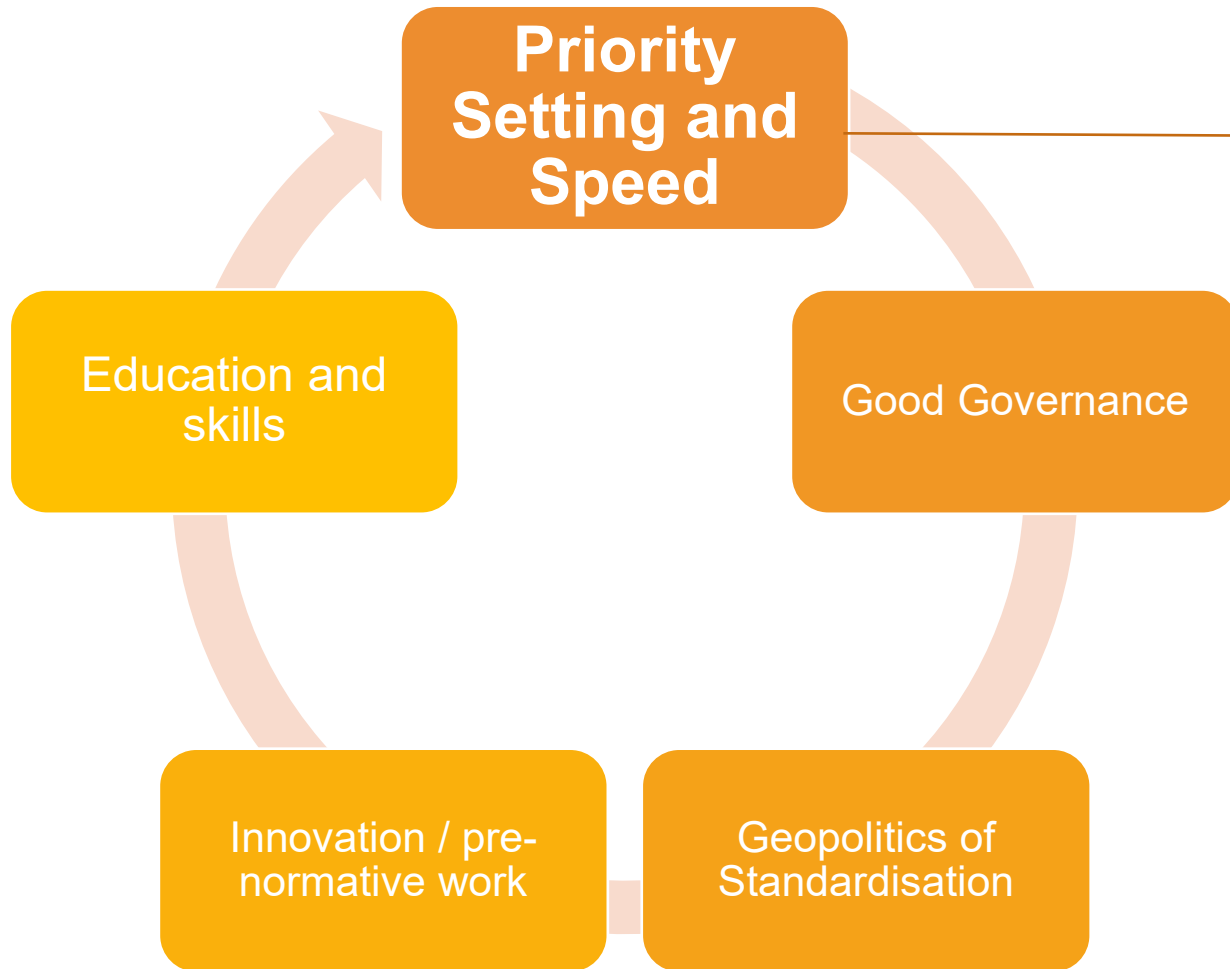

- **European standardisation strategy**  
(international, inclusiveness, education...)

**COM(2022) 31 final**

# Standardisation Strategy - Pillar 1

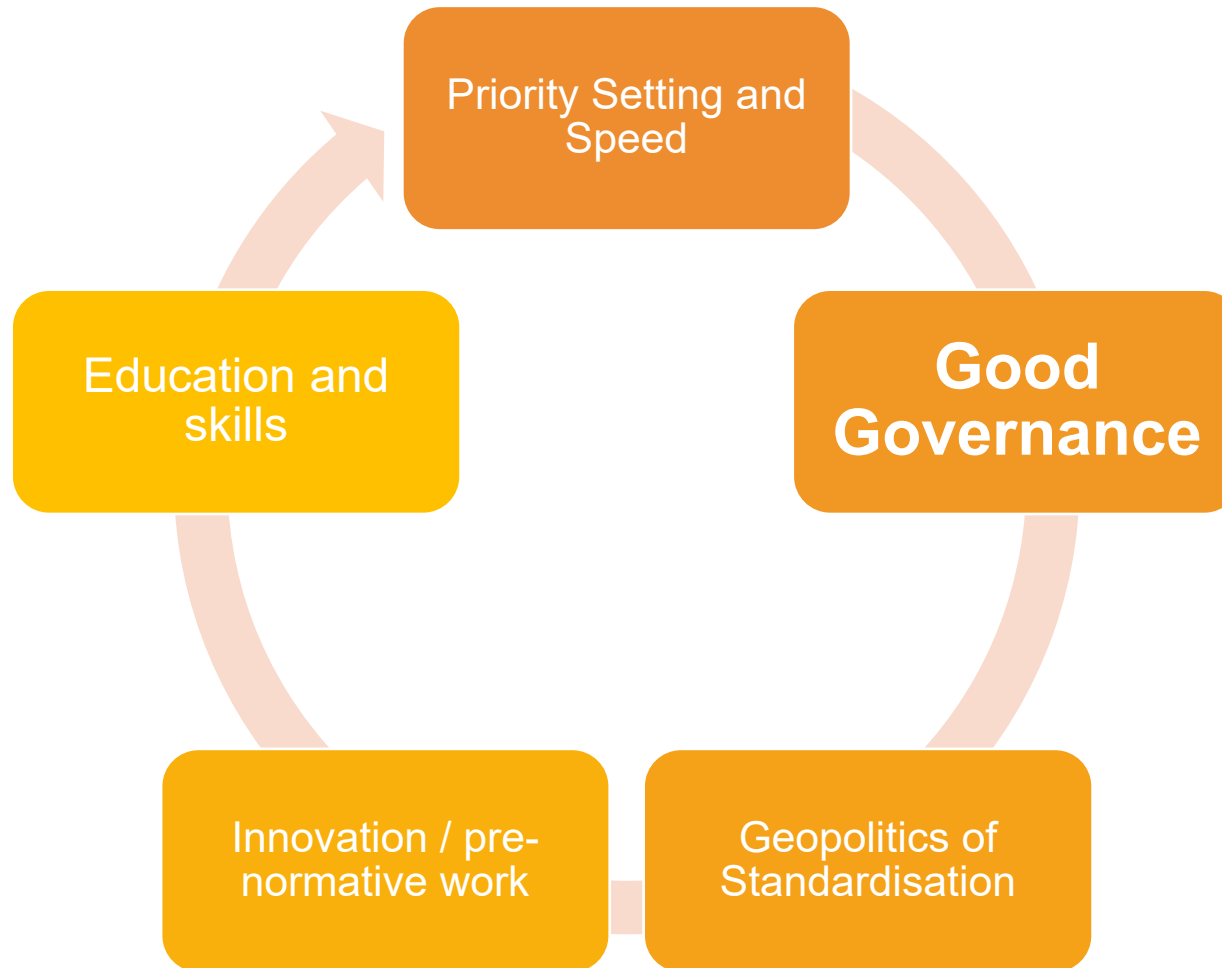

## Priority Setting and Speed

- High-Level Forum
- Chief Standardisation Officer
- 2022 AUWP – standardisation urgencies + action grants launched (Covid-19 medicines/vaccines; hydrogen; low carbon cement; semiconductors; critical raw materials recycling; data standards)
- EU Excellence Hub;
- Revision of existing standards to meet the objectives of the European Green Deal/Digital Decade/Resilience objectives

# Standardisation Strategy - Pillar 2

## Good governance

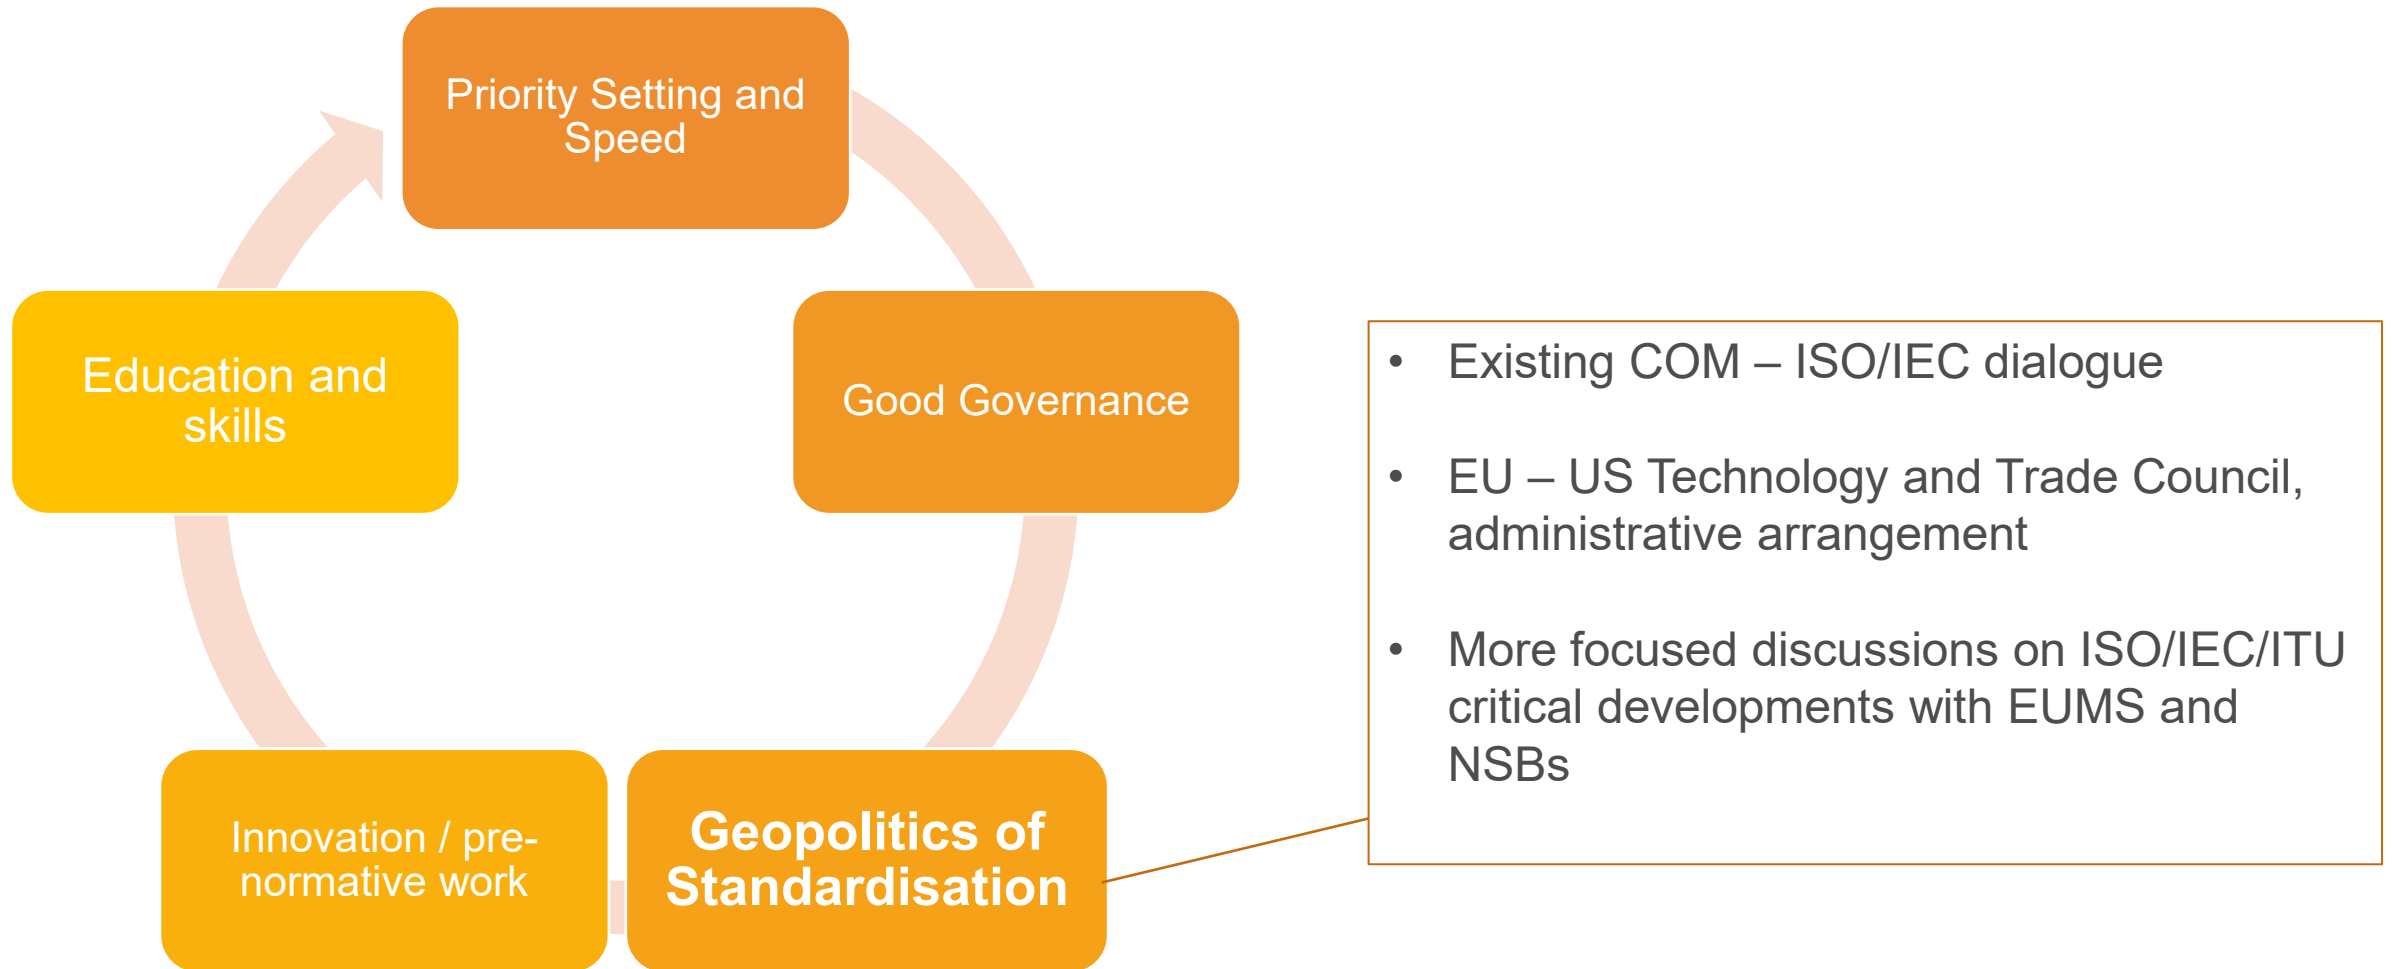

- Amendment to Regulation 1025/2012 in co-decision procedure
- Ongoing discussion with CEN-CENELEC and ETSI on governance reform (inclusiveness, peer review of NSBs etc.)
- Preparatory steps for the launch of the Evaluation of Regulation 1025/2012

*These slides accompany the explanation of the acquis to Albania and North Macedonia and can only be used for that purpose. Their content is subject to further development of the acquis and interpretation by the Court of Justice of the European Union.*

# Standardisation Strategy - Pillar 3

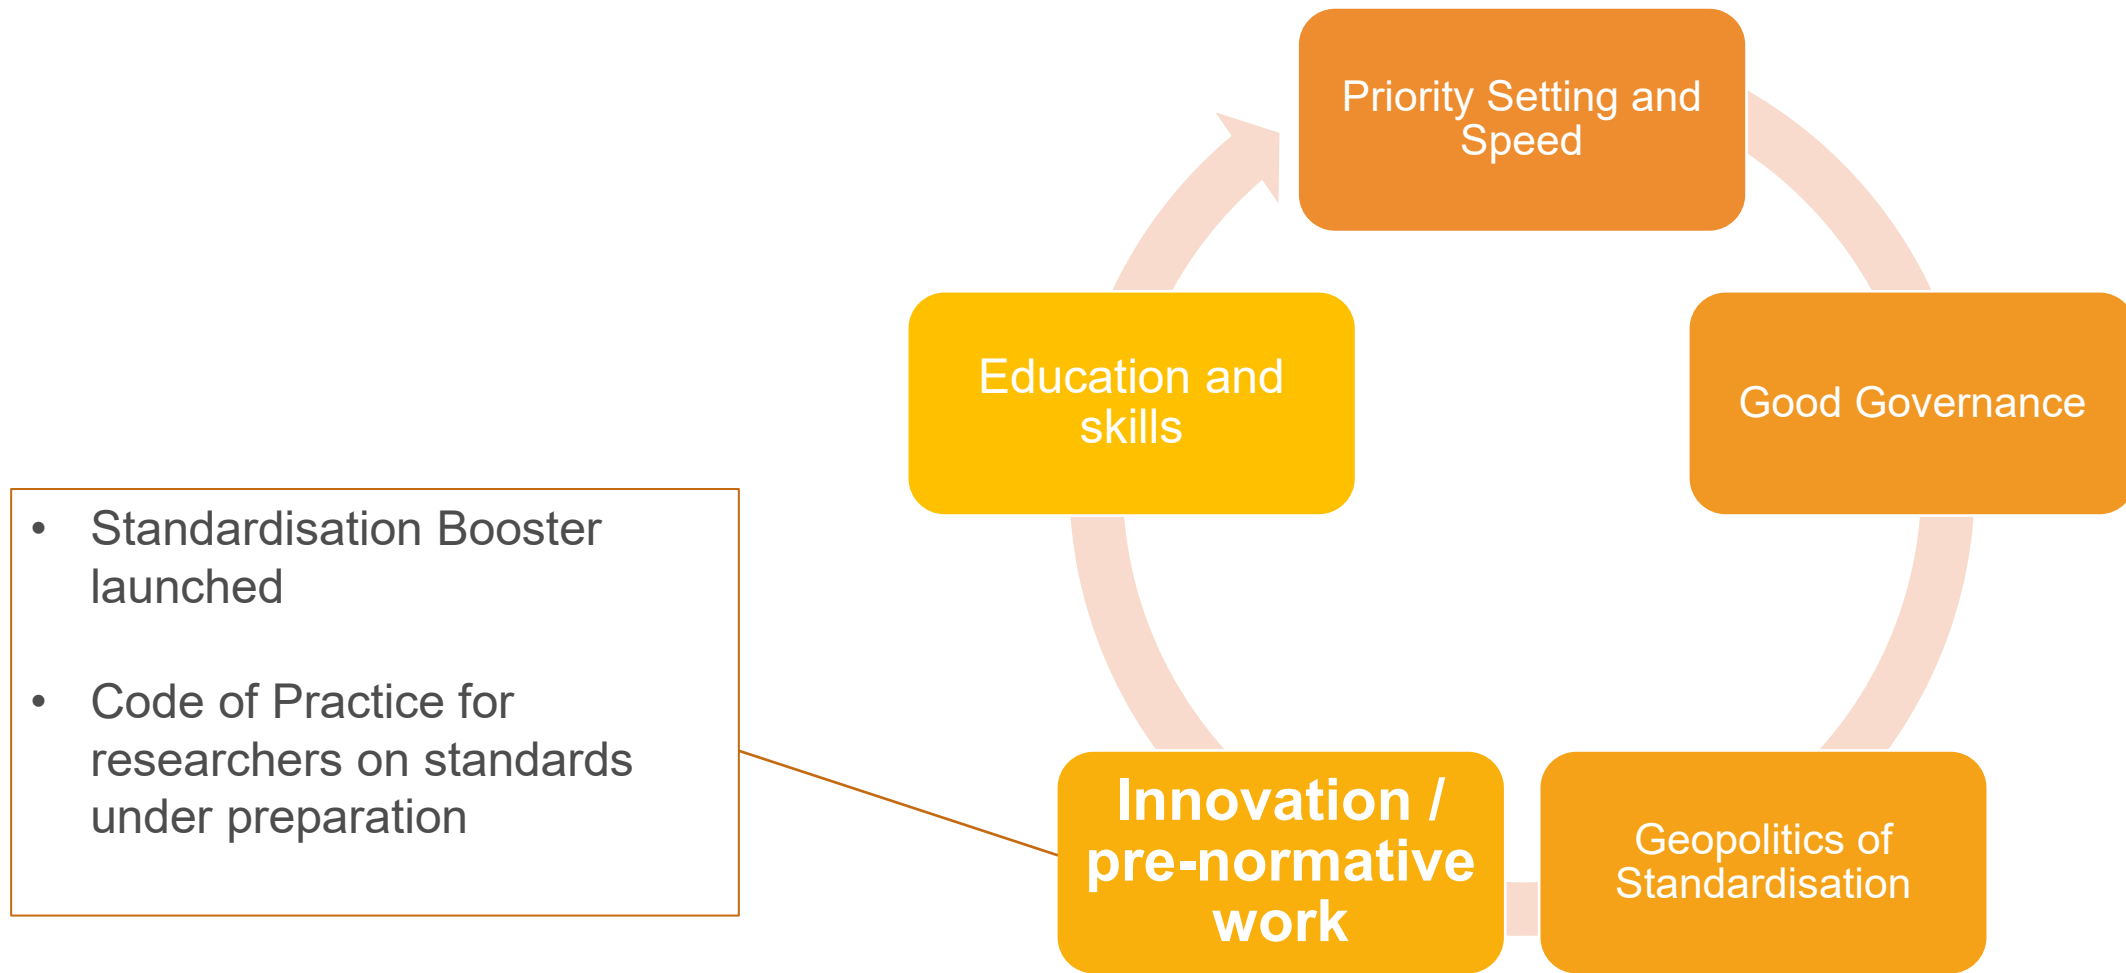

## Geopolitics of Standardisation

*These slides accompany the explanation of the acquis to Albania and North Macedonia and can only be used for that purpose. Their content is subject to further development of the acquis and interpretation by the Court of Justice of the European Union.*

# Standardisation Strategy - Pillar 4

## Innovation/pre-normative work

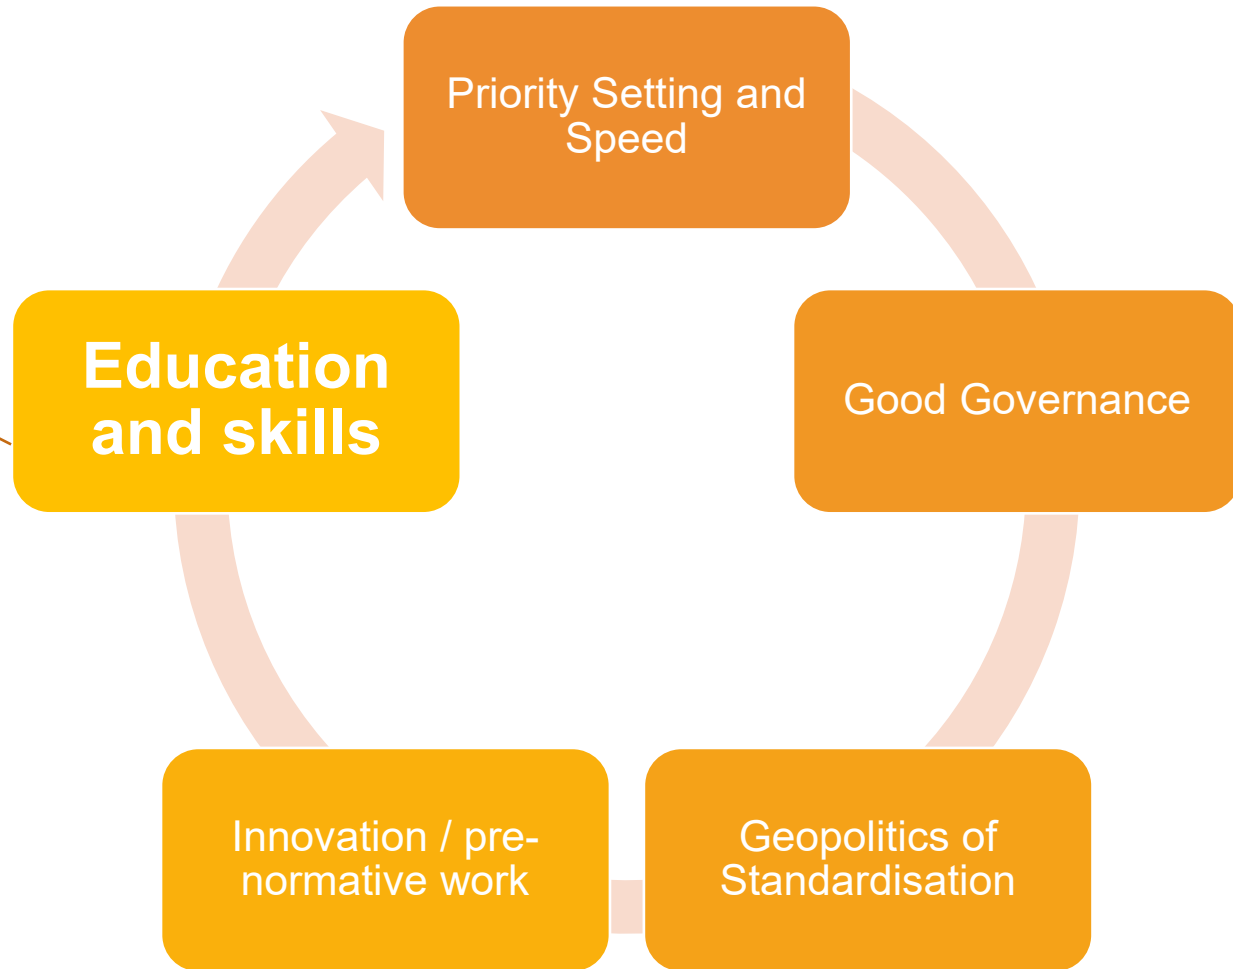

*These slides accompany the explanation of the acquis to Albania and North Macedonia and can only be used for that purpose. Their content is subject to further development of the acquis and interpretation by the Court of Justice of the European Union.*

# Standardisation Strategy - Pillar 5

## Education and Skills

- Entertainment of a small group of academics active in teaching standardisation
- Aim – EU University Days on Standards
