

MONIDEEP DEY

PRINCIPAL CONSULTANT

DEYTEC, INC.

SPEAKER BIOGRAPHY

Dr. Monideep Dey is the principle consultant of his firm, Deytec, Inc., and is based in Washington, D.C., USA. He is an expert and provides consultation on international standardization, and national regulation and policy matters to developing economies.

His specialized areas of work are mainly in two areas: sustainable development, including climate action; and national quality infrastructure and trade facilitation.

He worked in the US government on national regulation and policy matters for nuclear safety. He subsequently has served as an US expert in ISO technical committees and committee on conformity assessment.

His experience spans over many years on policy, regulation and standards at the national and international levels in government, private industry and international organizations.
