Nomination of candidate for the Compliance Committee of the Protocol on Water and Health.

With this letter we would like to nominate Mr. Gian Luca Burci as a candidate for the Compliance Committee of the Protocol on Water and Health. He would be a new member to this Committee and has communicated his interest in taking over this responsibility.

Mr. Burci is Doctor in Law from University of Genova and has worked as an Adjunct Professor of International Law at the Graduate Institute of International and Development Studies since 2012. He holds courses on global health law, the law and practice of international organizations, the law and practice of the United Nations and global health diplomacy. He has been involved in both research projects and in writing publications within legal fields related to the Protocol on water and health's objectives his entire carrier.

He has broad experience in international work and cooperation in the field of international law. He has excellent communication skills and longstanding legal expertise and knowledge in the fields to which the Protocol relates.

We trust he would be a great addition to this important committee and that he would support the signature parties to the best of his abilities in reaching their goals in the water and health field. Please find attached his curricula vitae.

Yours sincerely
