

Nominations received for the election of members of the Implementation Committee

The Implementation Committee consists of nine Parties to the Convention. Each member of the Committee shall be Party to at least one of the following protocols to the Convention: the Protocol on Heavy Metals; the Protocol on Persistent Organic Pollutant; or the Protocol to Abate Acidification, Eutrophication and Ground-level Ozone.

The Executive Body shall elect members for terms of two years with due regard to balanced and equitable geographic representation and a mix of technical and legal expertise. Outgoing members may be re-elected for one consecutive term, unless in a given case the Executive Body decides otherwise¹.
