AL REPUBLICII MOLDOVA

# UNECE evaluation of the 10-year implementation of the Road Map on Ageing

## List of Stakeholder groups

Ministry of Labour and Social Protection and its implementing agencies, State Chancellery

Implementing institutions of the Action Plan (line ministries and agencies)

Parliament

Human Rights Defenders

UN Agencies

Civil society organisations

Business and Employment Associations

Academia and research institutions

Focus group discussion with older men and women

Local level authorities and service providers

## The main conclusions

- The process towards adjusting the legal and normative framework regarding mainstreaming ageing in all sectorial policies is in progress but does not yet have total coverage or impact
- Pilot programmes for mainstreaming ageing at local level were implemented in some areas but are not yet completed
- Further adjustments to the legislative and normative frameworks/sectors to integrate ageing perspective are still necessary
