

13<sup>th</sup> meeting of the Task Force on Water and Climate  
19 October 2022, Geneva and online

# Adapting to climate change in transboundary basins

Sibylle Vermont (Switzerland) and  
Niels Vlaanderen (Netherlands)

# Planned activities in 2022-2024

- Mainstreaming **water and transboundary cooperation** into implementing nationally determined contributions (**NDCs**) and national adaptation plans (**NAPs**), the UNFCCC COPs and other processes under **UNFCCC** and **UNDRR**
  - Contribution to **UNFCCC COP 27 on 7-18 November 2022 in Sharm el-Sheikh, Egypt (UNECE side-event in cooperation with UN-Water, etc.)**
- Meeting of the **Global network of basins working on climate change adaptation**, in cooperation with INBO, in 2023
- **Global workshop on climate change adaptation and the meeting of the Task Force on Water and Climate** in 2024
- Continuation/initiation of max. **3 projects** in such pilot basins as the Chu-Talas, the Dniester, the Bug, the Tisza and the Sava (to be confirmed)

# Planned activities in 2022-2024

- Organization of up to **2 sessions/webinars/trainings** on **preparing bankable project proposals** for climate change adaptation in transboundary basins in partnership with multilateral development banks and climate funds
- Contributing to developing **bankable projects proposals**
- Intensification of cooperation with **global climate funds**

# Online compendium of good practices on climate change adaptation in transboundary basins

## Discussion

- *Which areas of climate change adaptation in transboundary basins are of interest to you?*
- *What would you like to see there in addition to best practices?*

# Events in 2022-2023

---

- **16-17 November 2022:** Sixth session of the Meeting of the Parties to the Protocol on Water and Health
  - **16 November 2022:** High-level session on strengthening the resilience of WASH and health services in times of climate change and pandemics
- **14-16 December 2022:** Global Workshop on Source-to-sea and River Basin Management Planning
- **25-26 May 2023:** Meeting of the Global network of basins working on climate change adaptation
- **5-6 December 2023:** Global workshop on financing
- **16 October 2023:** Global workshop on surface waters and groundwaters
- **19-21 June 2023:** Working Group on IWRM
