Actions of the inland transport sector to join the global fight against climate change

Transport Health and Environment Pan-European Programme (THE PEP)

85th session of the Inland Transport Committee

Mr. Robert Thaler
Bureau member – THE PEP
22 I 02 I 2023, Geneva
The Transport Health and Environment Pan-European Programme aims to develop and promote sustainable and healthy transport patterns.

THE PEP addresses sustainable mobility, urban planning, integration of health & environmental aspects into transport policy, clean air and combatting climate change, international cooperation.

Aim:
To achieve transport patterns that are sustainable for human health and the environment in the pan-European region through an integrated policy approach.
THE PEP contributions to sustainable transport

Recommendations for Green and Health Sustainable Transport

Mobility Management  THE PEP Partnerships  Cycling and green jobs  Jobs in Green and Healthy: Making the

Sustainable Urban Mobility and Spatial Planning
46 Ministers, European Commissioner, State Secretaries and representatives of 42 Countries in the Pan-European Region, more than 850 participants in total
Adoption and virtual signing of the Vienna Ministerial Declaration and the first Pan-European Master Plan on Cycling Promotion
➢ Joint vision and commitment to lead transformation towards clean, safe, healthy and inclusive mobility and transport

➢ Developing a pan-European THE strategy with clear pathway for the implementation of
  ➢ zero-emission technologies and mobility management,
