TEIA ANNIVERSARY

30th anniversary of TEIA Convention – 1/2

This year we devote our special attention

To the important TEIA Convention.

The fate of the mankind is in our hands

So are common efforts to stop accidents.

It's a set of provisions worth to abide by

Where the good prevention, there no human die!

We call all the countries that still hasitate

To join our efforts, it's never too late

Reach all benefits of ratification

Expect words of praise from your grateful nation

30th anniversary of TEIA Convention – 1/2

Dear Parties, stay active, don't let yourself freeze

Take care of this acquis, pay regular fees 😊

In the name of safety, in this special time,

We wish Sendai targets to be treated prime

The IAN System needs no activation

And further achievements to United Nations.

Since it's better to be safe than sorry...

We commend this Convention to your kind memory...

...for the next decades.

A solid green vertical bar is located on the left side of the slide.

Thank you!
