

***Report to the 189th WP.29
about the 41st IWG on IWVTA***

1. Annual update of UN Regulations in Annex4 of UNR0 which are necessary for U-IWVTA

Drafting the proposal for the 06 series of amendments to UN R0, according to the adoption of the new series of amendments of UN Regulations in AC1 at 187th, 188th, and 189th session of WP29

Planning to submit it as an informal document to June session of WP29 for consideration as usual.

2. Drafting procedure of how to apply new UN Regulations into the list of UN Regulations in Annex4 of UN R0

Drafted outline of the steps for the procedure. Some points to be discussed more especially on the step of choosing candidate new UN Regulations.

Necessity of the attendance of the people in charge of regulatory affairs to promote the discussion, considering the influence on the use of U-IWVTA.

3. Issue of expression and interpretation of the word “series” in the term “the preceding series of amendments” in transitional provisions

Submitted a proposal with explanation of the idea of the group as the informal document WP.29-189-13.

Requesting consideration and feedback from WP29 at its June session.
