Dear Ms. Marshal,

In relation to PRE/ACCC/C/2022/195 (Spain), Verdegaia hereby submits its responses to questions for the communicant forwarded in your email of March 10. We are also attaching with this email (per item 6 of the Committee's requirement) four judicial documents (in Spanish) indicated (a) to (d). Personal names appearing in the documents (as well as verification codes that allow access to the original documents from an online repository) have been redacted in accordance to applicable Spanish laws.

To provide additional evidence to certain points in our response, we are submitting 5 additional documents to include in the file. These have been numbered 1 to 5 and, because of size limitation, are sent via web transfer via the following link: [REDACTED]

As with Court documents, these are provided in the original language. While we are not able to provide translations by next week's session of the Committee, we can prepare full or partial translations to English if required.

We also confirm our online participation at the open session on preliminary admissibility at the Committee's 78th meeting. For language reasons, we will be represented by our colleagues of Montescola foundation, and we therefore ask you to also include the email [REDACTED] in subsequent communications.

Yours sincerely,

Sabela Iglesias
