ACCC

To whom it may concern:

This is to provide an advanced written comment to the ACCC for the hearing of case ACCC/C/2017/153. The comment has been prepared by Observer PDRA together with the Fishermen's Guild of Noia and includes as an attachment a technical report in English and Spanish.

In regards to the Party's most recent communication proposing the postponement of the hearing, this Observer strongly objects such a possibility in terms of the unsubstantiated reasons expressed by the Party.

For the March 22 hearing, we will be represented by Mr. Xoan Evans Pin.

Yours sincerely,

Xaquín Rubido, President  
Plataforma en Defensa da Ría de Arousa
