Subject: Decision VII/8q (Turkmenistan) - Party concerned's outstanding plan of action

Importance: High

Dear Mr. Yagmyrov,

I hope that you are well.

At the open session on decision VII/8q (Turkmenistan) at the Compliance Committee's 77th meeting (Geneva, 13-16 December 2022), Turkmenistan informed the Committee that it had prepared its draft plan of action and that, once it had completed consultations with associations and relevant Ministries on the draft plan of action, Turkmenistan hoped to submit its final plan of action to the Committee after the end of January or early February 2023.

In advance of the Compliance Committee's 78th meeting (Geneva, 21-24 March 2023), I write at the request of the Chair of the Committee to ask you if Turkmenistan is in a position to submit its plan of action, which was due on 1 July 2022, before the start of next week's meeting?

If that will not be possible, I would be grateful if, in advance of next week's meeting, you could provide the Committee with an update on when the Committee can expect to receive Turkmenistan's outstanding plan of action.

Please do not hesitate to let me know if you have any questions regarding the above.

Kind regards,

Fiona
