

MAUREEN LOGGHE

PRESIDENT

EUROPEAN COOPERATION FOR ACCREDITATION

SPEAKER BIOGRAPHY

Maureen Logghe started working in 2002 as a chemical engineer for the Federal Public Service Economy, SMEs, Self Employed and Energy at DG Quality and Safety, Consumer Safety Department, implementing European legislation into national legislation, following standardization and coordinating market surveillance. She dealt with the new legislative framework, Toys, Personal Protective Equipment, Machinery, Medical Devices, General Product Safety and Fair- and Playground equipment in the past. Since 2014 she was a member (and chair) of the EA Advisory Board (EAAB) and represented EAAB in the MAC council of EA.

In 2015 she became Head of Unit International strategy at the Office of the President following internal market policies. In 2019, she became the director of the Belgian Accreditation Body BELAC.

Since August 2022 she is the Director General of the directorate Quality and Safety, dealing with the quality infrastructure services Metrology, Accreditation, Standardization and Market Surveillance.

She was a seconded national expert and policy officer at DG Enterprise (now GROW), European Commission location Brussels from March 2008 until February 2013.

Mrs. Logghe graduated in 1994 from the University of Ghent as a Bio-engineer specialization Chemistry and started her Ph. D on the synthesis of chemical ligands for beta-agonists. She followed the « maîtrise en Biologie et Chimie appliquée à l'Université de Perpignan (France) ». She did a work placement on instrumental analysis at the RIKILT in Wageningen (the Netherlands).

Mrs. Logghe is born in 1971 and is a passionate (marathon) runner.
