# Land Tenure Team vision 2022-2025

***Promoting inclusive, equitable and secure access to land & natural resources  
to achieve more inclusive and sustainable food systems***

## VGGT + 10: Overview

- Voluntary Guidelines on the Responsible Governance of Tenure of Land, Fisheries and Forests in the Context of National Food Security (VGGT) programme top priority for the Land Tenure Team (LTT) since 2012.
- **Work has primarily focused on:**
  - Awareness raising on the VGGT and its principles;
  - capacity development materials (technical guides and e-learning courses) and face-to-face trainings and webinars for actors to apply VGGT within specific contexts;
  - multi-stakeholder platforms (MSPs) to develop consensus on policy reforms;
  - guidance plus development of partnerships at country and regional levels;
  - technical assistance on land administration and geospatial information systems.

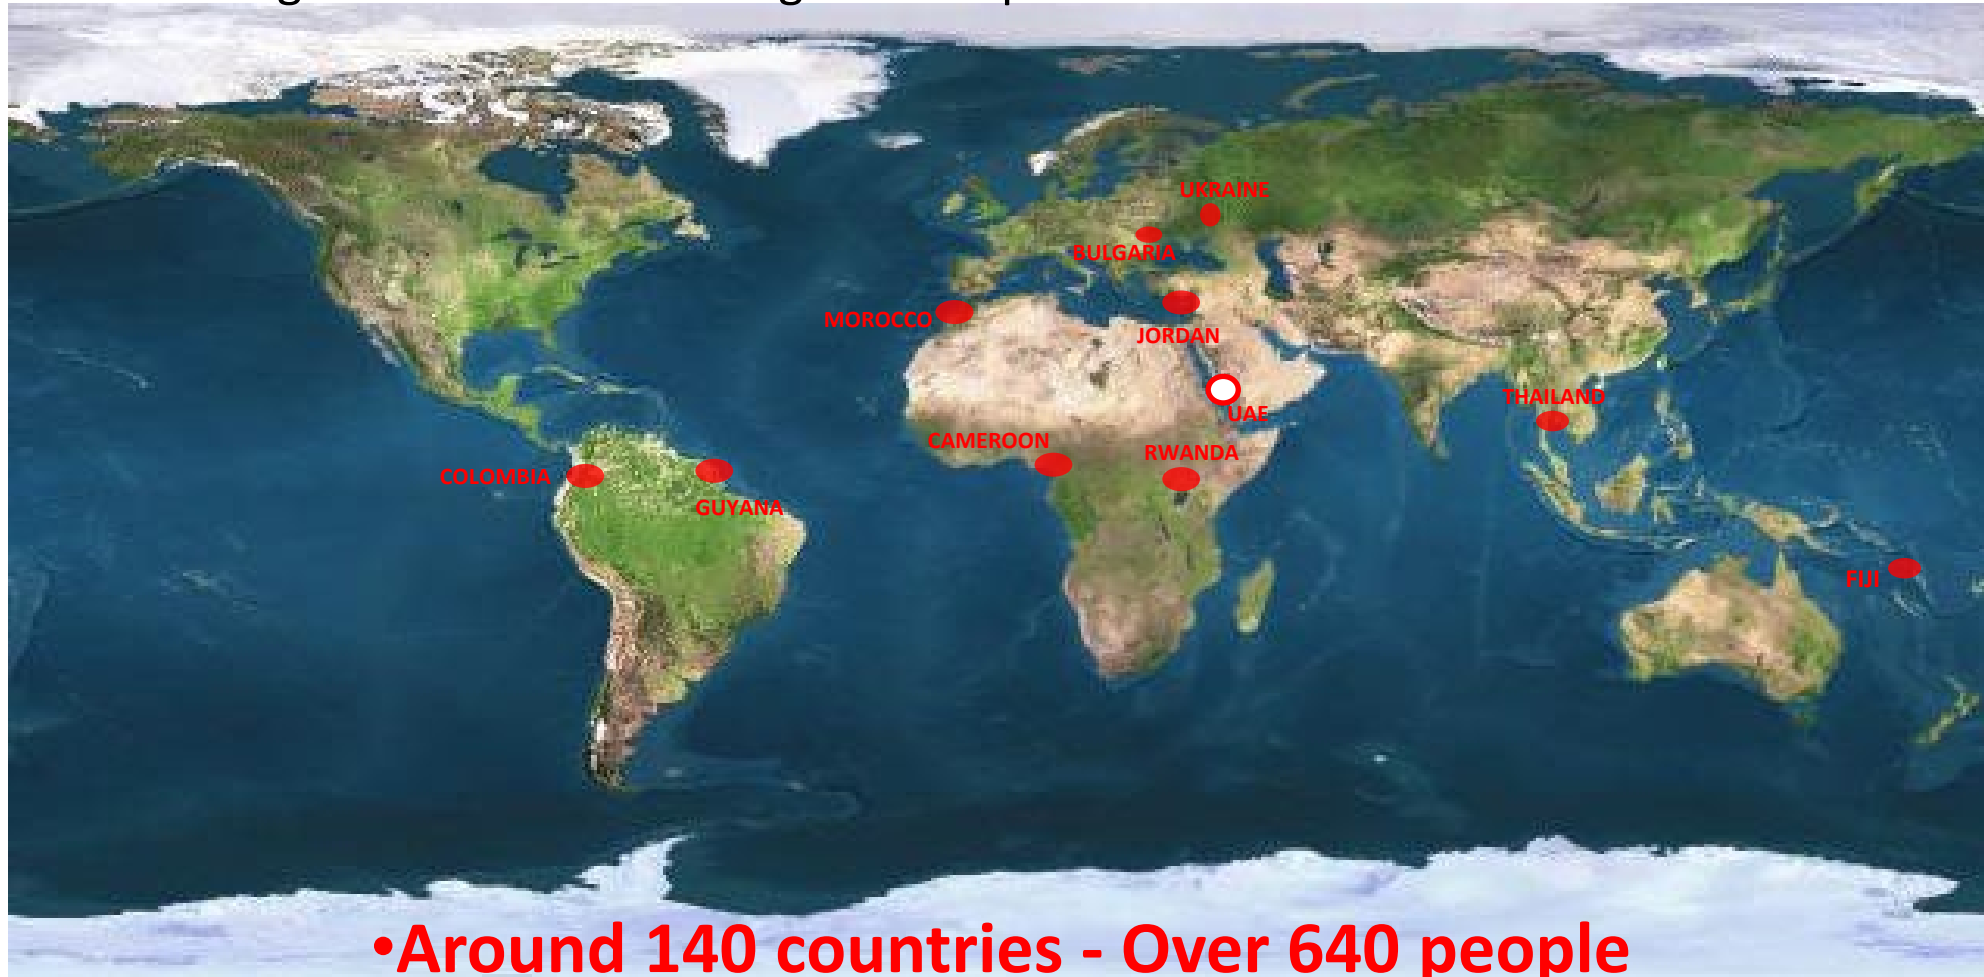

## VGGT + 10: Overview

- Voluntary Guidelines on the Responsible Governance of Tenure of Land, Fisheries and Forests in the Context of National Food Security (VGGT) programme top priority for the Land Tenure Team (LTT) since 2012.
- **The programme has achieved:**
  - Substantial progress was achieved regarding VGGT awareness-raising in about 140 countries, over 640 people;
  - Technical support for application of the VGGT principles in over 60 countries;
  - induced changes in policies via Multi-stakeholder platforms (MSPs) in over a dozen countries;
  - supported modernization of land administration and geospatial information systems in several countries.

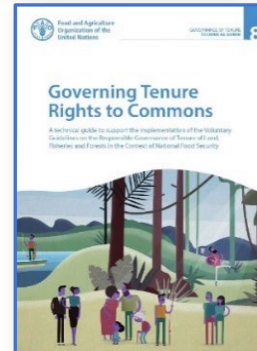

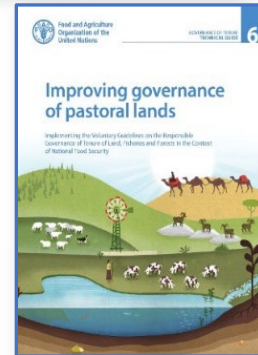

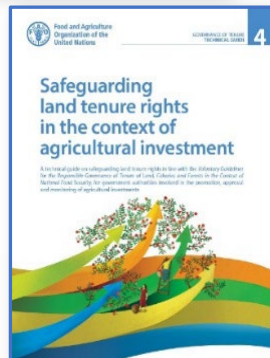

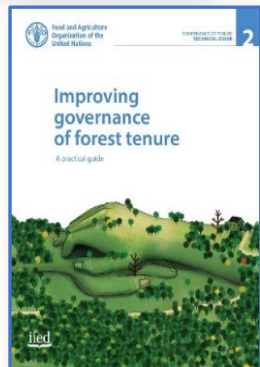

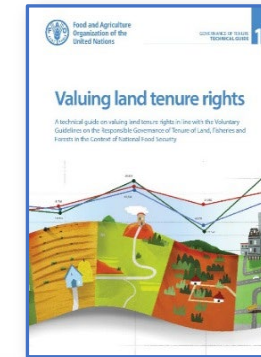

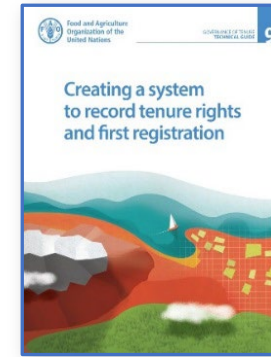

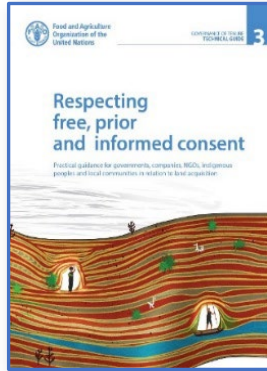

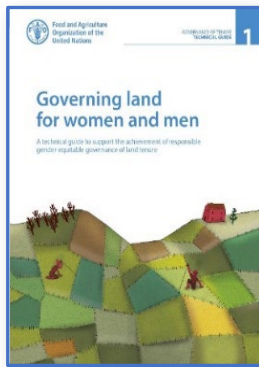

# VGGT + 10: Overview

- 10 Regional Awareness raising workshops
- 1 Sub-regional awareness raising workshop

## Capacity-building and international knowledge-sharing Comments and suggestions for cooperation

- Further commitment to advance the VGGT and stronger collaboration amongst all stakeholders is required, as still long way to go for security of tenure.
- Joint technical materials to support CD and advocacy
- Webinars for various target groups
- Any other?
