Example 1: Estonia

Estonia modal split

Rail transport, tonnes (by good)

Source: UNECE Transport Statistics Infocards

Source: Eurostat RAIL.GO_GRPGOOD table
Counter Example 2

UK Rail Unitisation %

Source: Eurostat tran_im_uroad table

Source: Eurostat RAIL_GO_GRPGOOD table
Making progress (?)

Decreasing rail bulk (more road freight, or elec. gen. changing from coal to wind?)

Increasing rail bulk (no harm in that?)

Going backwards?
