Dear Mr Logue,

On behalf of our AIE Officer Colm Walsh, please be advised under article 7(3) of AIE regulations, the below information is already available to the public in another manner through our public access team. Our public access team facilitate requests on decided case file documents which are in the public domain and interface with our archival services. The declaration form is part of that existing and reasonable manner specified therein through which the public can obtain such information, as requested. The public access team will charge an associated fee, details of fees are laid out in our fees and public access guide should you wish to obtain copies of such documents.

Link to An Bord Pleanála's public access guide:

Alternatively, the file is made available at the offices of the Board for inspection by members of the public within 3 working days following the relevant decision. There is no charge for viewing the case file. If you would like to view this file, we do ask that you arrange a time with the public access team so we can ensure that the file is available for your visit. My public access colleagues will be happy to forward a copy of the file, on provision of fee and declaration form which facilitate this manner of access. Please kindly contact Aisling or public access if you wish to proceed with the below.

Kind Regards,

Dear [REDACTED]

Any update on this, your AIE officer told me that the file was publicly available so I don't understand why you are asking me to pay for it or to fill out a form.

Many thanks
Fred

Dear [REDACTED]

Could you please set out the basis for the proposed fee and why you are asking me to fill out a form? Please include specific reference to the AIE Regulations.

As far as I can establish neither is allowed under AIE.

I think the Board should just forward me a copy of the file without any further delay.

Many thanks
Fred
