A Chara

I wish to receive the following under AIE in relation to charges when members of the public inspect planning files at the public counter and wish to get copies:

1. Provide a schedule of per-page charges for taking copies of paper files open for public inspection, if the information is on the internet please provide a link
2. Provide details of charges for retrieving files if any
3. Provide details of maximum and/or minimum charges
4. Provide details of how the charges can be waived or reduced
5. Provide details of whether charging is different for planning applications which are accompanied by an EIA Report

Many thanks
