

DEBORAH WAUTIER

PROJECT MANAGER - STAKEHOLDERS ENGAGEMENT AND
COORDINATOR DIVERSITY AND INCLUSIVENESS

CEN AND CENELEC

SPEAKER BIOGRAPHY

Deborah Wautier works for CEN and CENELEC, the European Committee for Standardization and the European Committee for Electrotechnical Standardization, where she is responsible for the engagement of key stakeholders in European standardization, while closely liaising with the CEN and CENELEC Members.

Since 2019, Deborah supports the inclusiveness, diversity & transparency of the system by leading projects to further enhance the participation of European Partners, Civil Society, SMEs, and sectoral industry organizations, as well as developing and coordinating the CEN and CENELEC activities to bring a Gender-responsive perspective in the European Standardization System.

She has a background in Applied Linguistics and has worked for the Council of European Municipalities and Regions as the officer for Statutory Affairs and Service to Members.

**Second WP.6 Forum
GRS annual meeting**

**Return on experiences and
challenges in implementing
gender action plans for
standards development**
