#### III. Guidelines for the transfer of contributions to THE PEP

3. The secretariat provides bank information for the transfer of contributions to UNECE and WHO/Europe to ensure the effective implementation of the work plan of THE PEP and the adequate participation of experts from EECCA countries in its meetings. Contributions should be transmitted to the UNECE THE PEP Trust Fund and/or to WHO/Europe.

4. For administrative reasons, funds for personnel and IT infrastructure for THE PEP Clearing House should be made available to the UNECE Trust Fund, while support for additional services to be provided by the Clearing House can be made available to either organization. In general, resources made available through the UNECE Trust Fund would mainly support activities that have a strong transport and environment component. Funds promoting primarily health-related objectives could be directed to WHO/Europe.
