***Report to 190th WP.29 session
from
the 47th IWG on DETA meeting***

DETA: The secure internet database for exchanging approval documentation between the Contracting Parties of the 1958 Agreement, as required to be established by the UNECE, according to Revision 3 of this Agreement.

DETA - State of play

Facts and figures:

- **36** Contracting Parties (+1) have notified their DETA Focal Point
- App. **46.000** approvals uploaded (+4.000) by 19 TAA
- App. **5810** manufacturers (+40) are uploaded / could be selected by TAA
- **15** manufacturers (+1) have access to DETA (only to their own approvals)
(manufacturer's access is to be requested via their approval authority and to be forwarded to the DETA Administrator)

DETA - State of play – Developments

- **Mass Upload Functionality**
 - implemented in DETA
 - (10 TAAs currently working on implementation within their organisations)

- **Two-factor authentication**
 - The IWG on DETA agreed on improving the system security by introducing a **‘two-factor authentication with e-mail’** solution.

DETA - State of play – Developments

- **Unique Identifier marking**

Considerations at GR's ongoing (questionnaire WP.29-188-20 circulated to GR's)

First observations:

→ benefits for most UN Regulations under purview by GRs not obvious
(e.g. due to absence of additional marking requirements).

→ Several GRs agreed to / are considering a general ban of the UI marking.

The IWG DETA is considering the consequences and will advise WP.29 in due time.

DETA - State of play – Extension of scope

Extension of scope DETA following WP.29/AC.2 assignment

- **Access in the course of PTI (1997 Agreement)**
 - IWG on PTI informed the IWG on DETA that access to DETA is currently not required.

- **Access of Technical Services:**
 - The IWG on DETA agreed for **notified Technical Services:**
 - general **read access** only to **all Approval Certificates**
 - no access to Information Documents and Test Reports

(The IWG on DETA is considering the procedure for notifying a Focal Point of the TS).

DETA - Questions to WP.29

WP.29 is invited to consider:

- endorsement of the ‘two-factor authentication by e-mail’**
- allowing read access to DETA for notified Technical Services to all Approval Certificates**
