Subject: RE: PRE/ACCC/C/2023/199 (Ireland)

Dear Secretariat

I refer to the open session this morning dealing with preliminary admissibility of case PRE/ACCC/C/2023/199 (Ireland) and the request from the chair for a copy of the correspondence received in response to our letters of 29 March 2023, referred to at paragraph 7 of the Communicant's written statement on preliminary admissibility.

I now attach an acknowledgment from the Minister for the Environment, Communications and Climate dated 29 March 2023 and an email from the Senior Investigator in the Office of the Commissioner for Environmental Information dated 29 March 2023 confirming that the Commissioner was considering our correspondence of 29 March 2023.

If I can be of further assistance please don't hesitate to get in touch.
