

GEF IW:LEARN5

The knowledge management platform for the GEF IW portfolio

Claudette Briere Spiteri
Project Manager

FUNDED BY

IMPLEMENTED BY

EXECUTED BY

GEF Learning Exchange And Resources Network (IW:LEARN5)

Project Objectives

Strengthen knowledge management capacity

Promote scaled-up learning of disseminated experiences, tools and methodologies

Improve the effectiveness of GEF IW portfolio and partner projects

Project Outcomes

- **Centralized knowledge management** for the GEF IW Portfolio & partners
- **Improved capacity, implementation & impact** of projects and partners
- Moving away from agency/ecosystem silos to **increased cooperation and partnership**
- A global network of practitioners – **community of practice**

Implementation period: 2022-2026

Budget: USD 5.9M
