Ms. Fiona Marshall
Secretary to the Aarhus Convention Compliance Committee
UN Economic Commission for Europe
Environment Division
Room 429-2 Palais des Nations
CH-1211 Geneva 10
Switzerland

Dear Ms Marshall,

I am writing in reference to the letter of the 22nd March 2023 from the Communicant in case ACCC/C/2018/158 to the Secretariat of the Aarhus Convention Compliance Committee.

In the above mentioned letter The Communicant refers to the ruling of 2 March before the Court of Justice of the European Union (CJEU 2023 in case C-432/21). The Communicant raises the issue of legal grounds for the ruling. The Ministry of Climate and Environment already commented this particular issue in correspondence of 25th May 2023 that concerning the case ACCC/C/2017/154.

In our opinion the letter of 25th May fully explained our position regarding the legal grounds for the ruling of the CJEU and the issue of scope of articles 9(2) and 9(3) related to the case ACCC/C/2018/158 and in context of the case C-432/21.

Nevertheless, in case that the Compliance Committee would like to ask for any further clarifications in this matter, we are ready to provide it.

Your sincerely

Anna Moskwa
