

# MANSHA MARWAH

## GENDER AND SUSTAINABILITY SPECIALIST

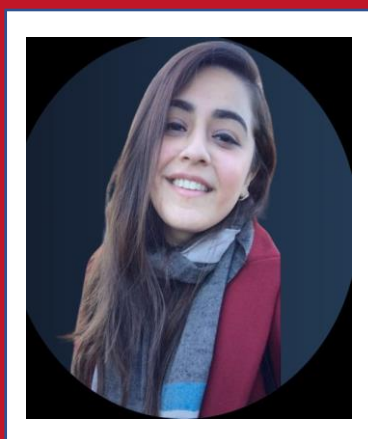

GERMANY

### SPEAKER BIOGRAPHY

Mansha Marwah is a Gender and Sustainability specialist working towards a healthier, safer and more sustainable future. Currently, she works in the renewable energy sector on sustainability and ESG. She is actively involved in various technical working groups at the European Commission on circularity and sustainability methodologies.

Mansha has also worked with the Indian government and UN Women on gender mainstreaming in fiscal policy and urban spaces. She is a member of the team of specialists on gender-responsive standards at the UNECE. She is passionate about gender and climate adaptation and mainstreaming gender in the sustainability field.

Mansha holds a BA in Politics and International studies and a MSc in International Development where her research focused on women and climate change in urban India vis a vis water resources.

**Standards and  
Circular Economy**

**Incorporating a gender  
perspective in standards  
for sustainability**
