Federal Ministry of Environment,
Nature Conservation and Nuclear Safety
Berlin, Germany

Dear Mr. Sauer and Ms. Betensted,

**Re: Decision VII/8g concerning compliance by Germany
with its obligations under the Aarhus Convention**

The Compliance Committee under the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (Aarhus Convention) has asked me to write to you as a courtesy to remind you that, in accordance with paragraph 3 (a) of decision VII/8g of the Meeting of the Parties, Germany is requested to submit to the Committee its first progress report by **1 October 2023** on the measures it has by that date taken, and the results achieved, to implement the recommendation in paragraph 2 of decision VII/8g.

The Committee has also asked me to remind you that, as explained by the Chair of the Committee at the twenty-seventh meeting (Geneva, 26-28 June 2023), all the measures to implement decision VII/8g must be taken and reported on by no later than **1 October 2024** in order that they can be taken into consideration by the Committee in its report on decision VII/8g to the eighth session of the Meeting of the Parties.

As you may recall, at its twenty-seventh meeting, the Working Group of the Parties to the Convention took note of the information provided by the Chair of the Compliance Committee and “urged all Parties subject to a decision of the Meeting of the Parties concerning its compliance to implement that decision in a timely and effective manner, especially where the implementation requires legislative measures”.¹

Finally, should Germany demonstrate to the Committee that it has fully met the requirements of decision VII/8g by the time of its final progress report due on 1 October 2024, the Committee will report that fact to the eighth session of the Meeting of the Parties. There would then be no need for a further decision on those points to be adopted at the eighth session.

Secretary to the Aarhus Convention Compliance Committee
