Ms. Nelea Turchin
Ministry of Environment
Chisinau, Republic of Moldova

Dear Ms. Turchin,

**Re: Decision VII/8n concerning compliance by the Republic of Moldova
with its obligations under the Aarhus Convention**

The Compliance Committee under the Convention on Access to Information, Public Participation in Decision-making and Access to Justice in Environmental Matters (Aarhus Convention) has asked me to write to you as a courtesy to remind you that, in accordance with paragraph 3 (a) of decision VII/8n of the Meeting of the Parties, the Republic of Moldova is requested to submit to the Committee its first progress report by **1 October 2023** on the measures it has by that date taken, and the results achieved, to implement the recommendations in paragraphs 2 (a)-(b) of decision VII/8n.

The Committee has also asked me to remind you that, as explained by the Chair of the Committee at the twenty-seventh meeting (Geneva, 26-28 June 2023), all the measures to implement decision VII/8n must be taken and reported on by no later than **1 October 2024** in order that they can be taken into consideration by the Committee in its report on decision VII/8n to the eighth session of the Meeting of the Parties.

As you may recall, at its twenty-seventh meeting, the Working Group of the Parties to the Convention took note of the information provided by the Chair of the Compliance Committee and “urged all Parties subject to a decision of the Meeting of the Parties concerning its compliance to implement that decision in a timely and effective manner, especially where the implementation requires legislative measures”.¹

Finally, should the Republic of Moldova demonstrate to the Committee that it has fully met the requirements of decision VII/8n by the time of its final progress report due on 1 October 2024, the Committee will report that fact to the eighth session of the Meeting of the Parties. There would then be no need for a further decision on those points to be adopted at the eighth session.
