

# **My life with statistics - statistical training for teenagers**

Marianne Mackie, Statistics Denmark

Unece 11. October 2023

**TrygFonden**

  
**STATISTICS  
DENMARK**

# What is *My life with statistics*?

- Free education portal
- Financed by Danish foundation
- Switches between statistics assignments and interactive gamification elements
- Gives tools to avoid typical pitfalls and reflect critically
- Made in collaboration with consultants with teaching background

# Themes

# My life with statistics

Over borders

My personal time

How unequal?

# Why Statistics Denmark?

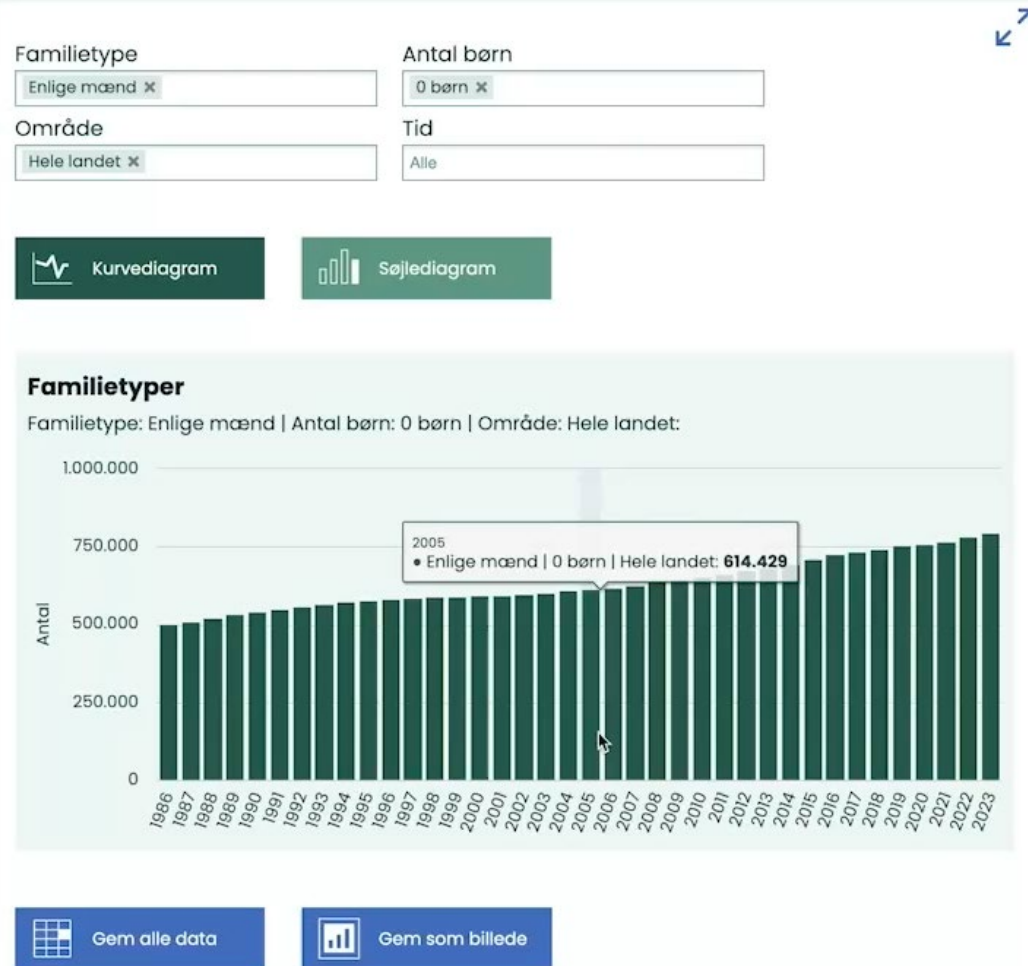

My life with  
**statistics**

- We know the pitfalls
- Experts
- Neutral and credible source

# New tool: "Charts with filters"

My life with  
**statistics**

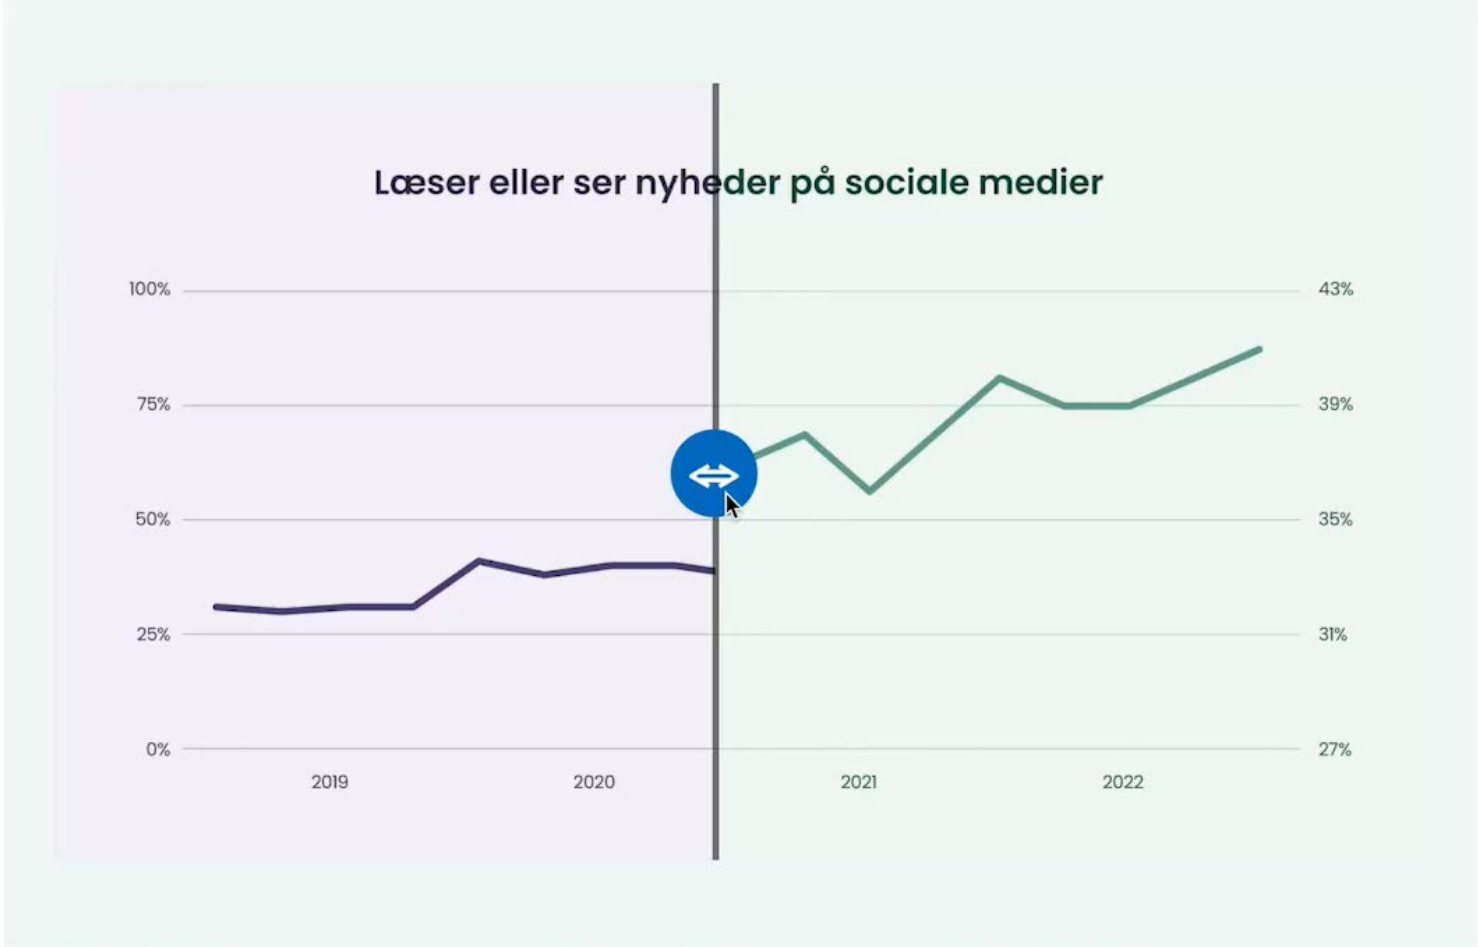

# Videos

My life with  
**statistics**

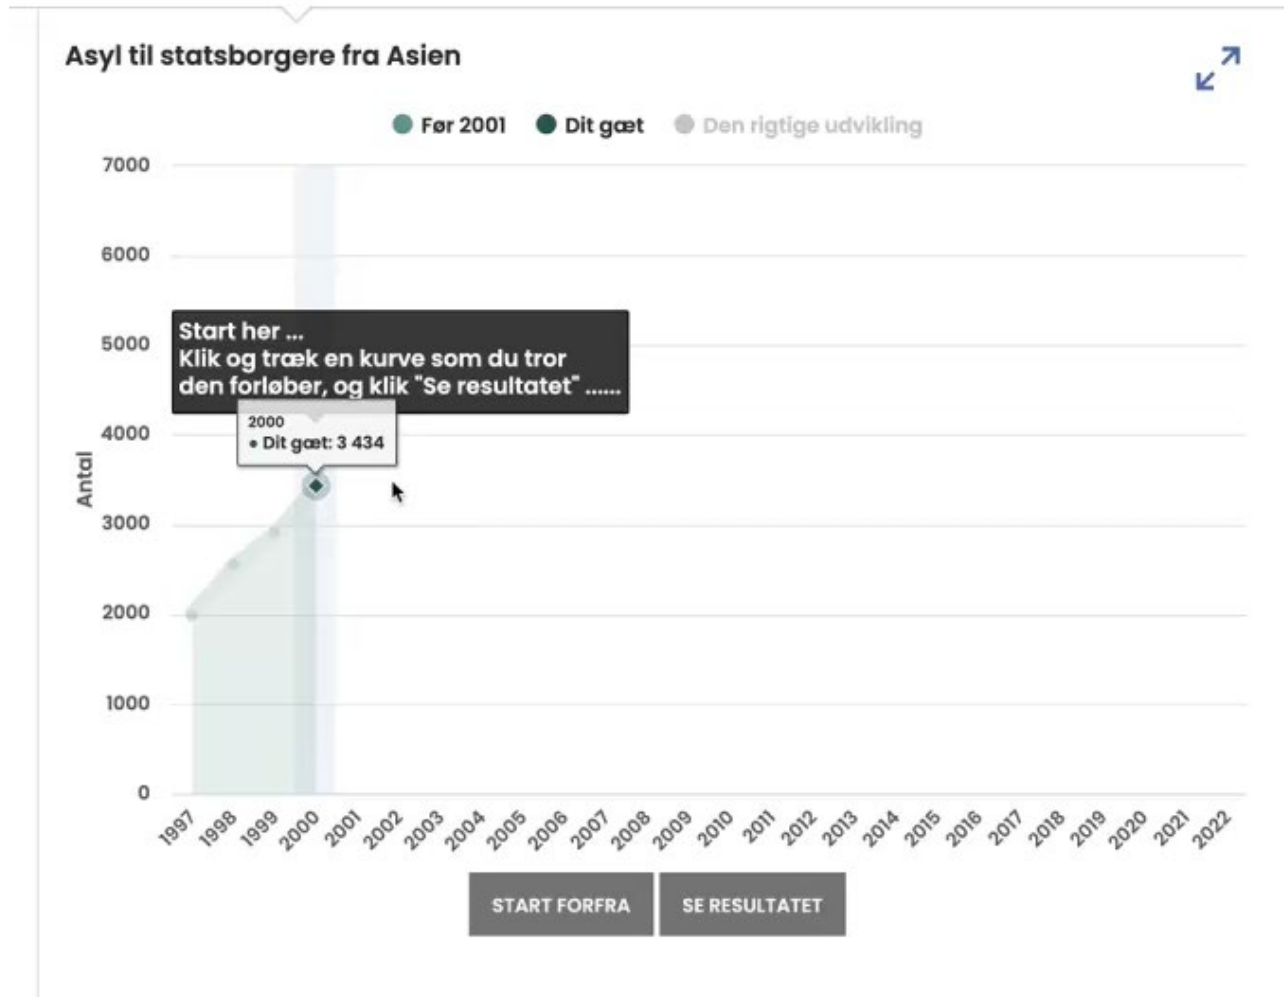

Alt fra Politiske beslutninger, administration i kommuner og virksomheders  
satsninger

# Sliders illustrate the important Y-axis

# Make a guess and test your knowledge

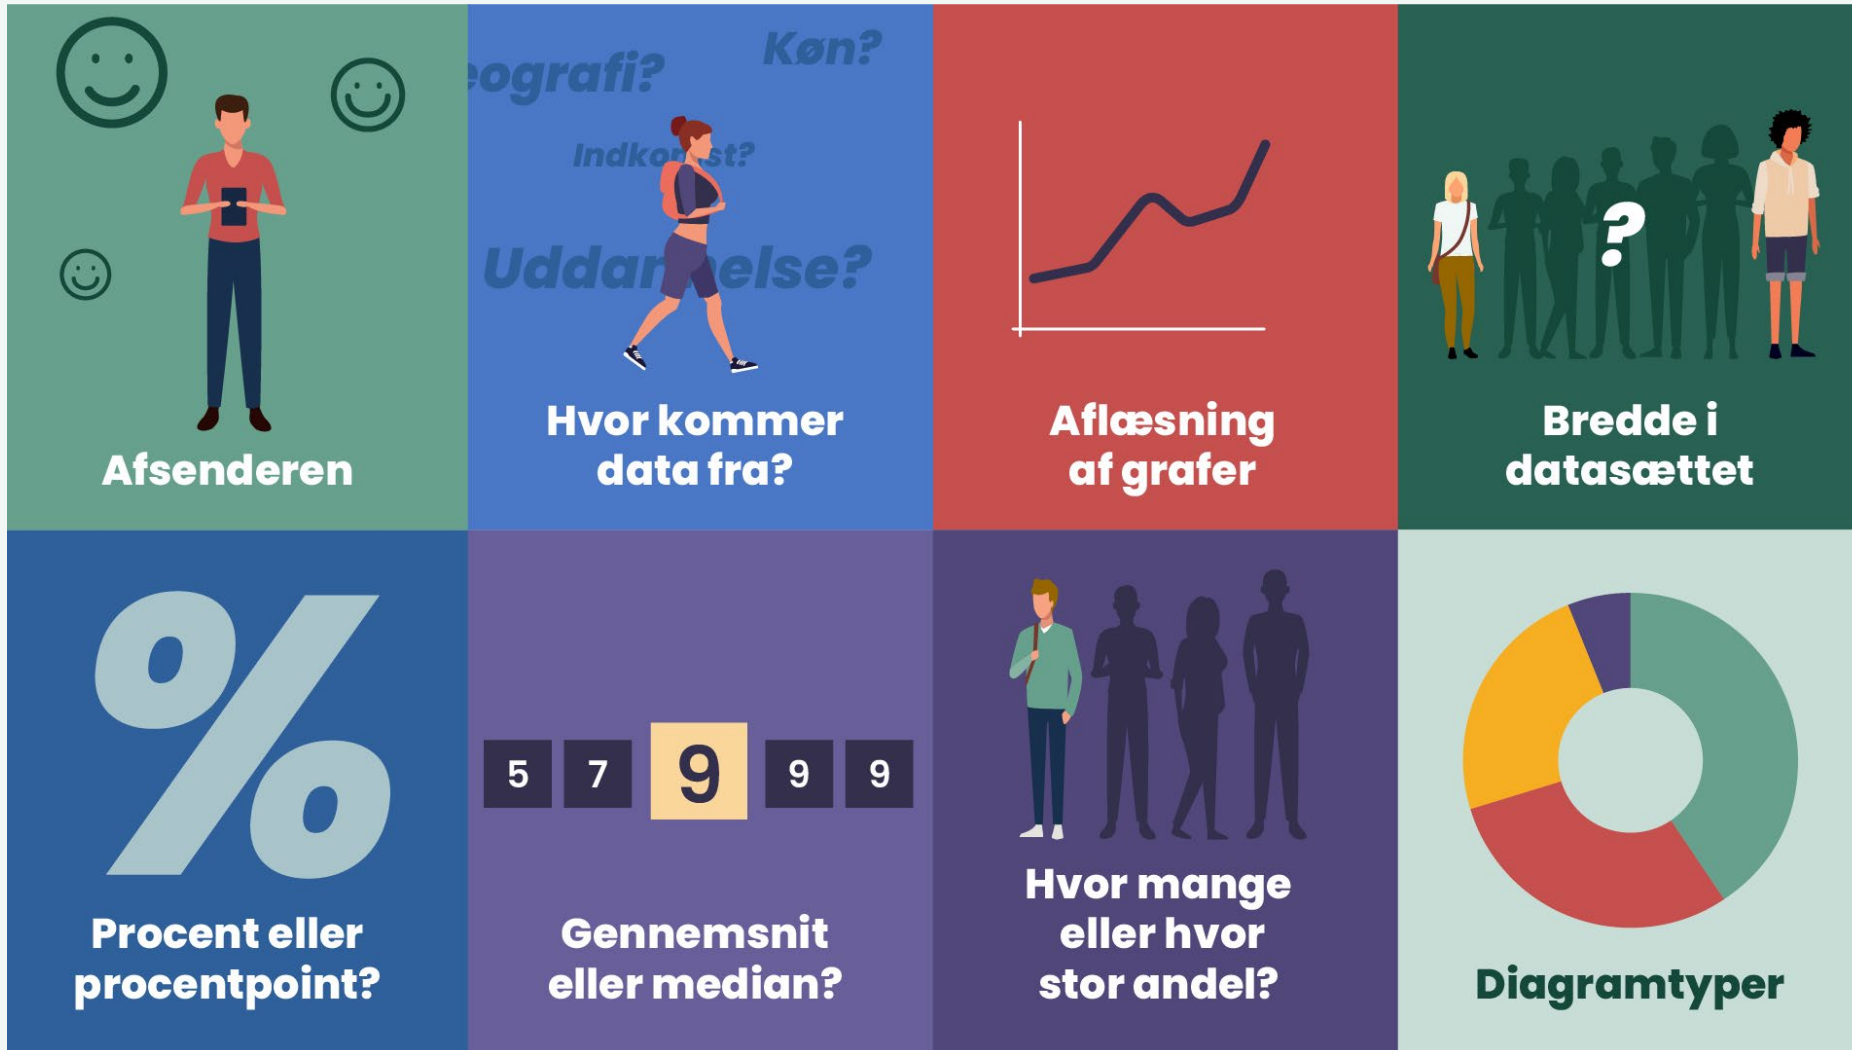

# 3-dimensional escape rooms

My life with  
**statistics**

# Help for students and teachers

My life with  
**statistics**

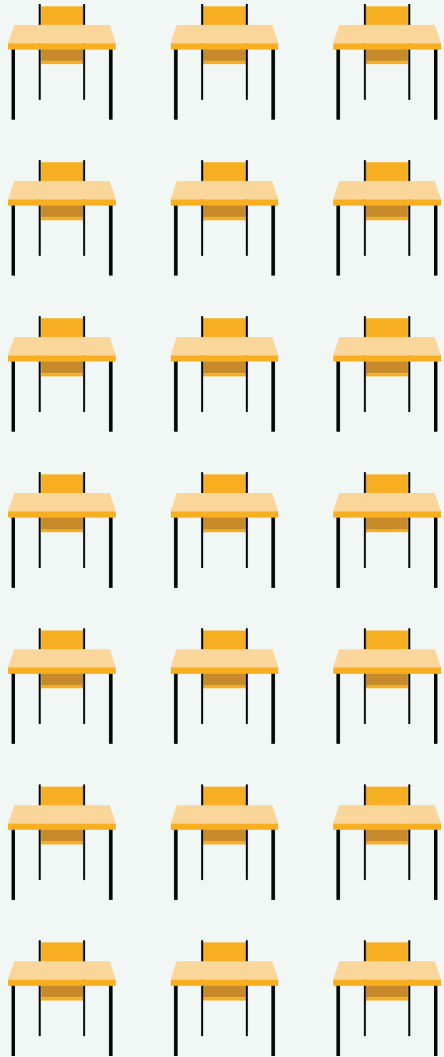

# Spreading the word

My life with  
**statistics**

- School consultants
- Educational trade fairs
- Advertising
- Social media
- Courses
- Etc.

# Lessons learnt:

- Waiting for feedback from actual use in classrooms
- Potential clash of cultures with school professionals.
- Developing material takes much longer than expected

My life with  
**statistics**
