SPEAKER BIOGRAPHY

Omar Dhafer is the Technical Associate Director for Standardization and other Technical Activities. His work consists of driving the work on ICT standardization and representing the association in different EC expert groups and managing and coordinating the Standards & Interoperability and the Product Compliance and Market Access working groups.

Omar is a sherpa member of the EU High-Level Forum on Standardisation. He also represents DIGITALEUROPE at CEN, CENELEC and ETSI technical committees on related digitalization priorities.

Before joining DIGITALEUROPE, he worked on standardization as the Senior Technology Manager at the European DIGITAL SME Alliance and represented Small Business Standards (SBS) in several EC and ESOs groups.

Omar is experienced in Business Administration, Entrepreneurship, ICT Management, Policy Analysis, Standardisation, and Consultancy. He has also worked as a Business & ICT Consultant & Professional Trainer for several organisations, both as a Researcher and Business Adviser.

He also holds a PhD in Economic Sciences and Management, Master's degree in Business Administration and Information Systems Management, and a Bachelor's in Computer Science.
